MAY 13, 2003 TUESDAY NOON VOL. 66 NO. 33

PROGRAM

Linda Payne, Chamber of Commerce President, or if she can't come it will be Ann Luke presenting the Watts Tower Slide Show.

LAST WEEK

Yr. Ed was AWOL (don't worry John, I'll make it up) but it was reported that Jim Robuck was Yr. Ed's best source. Jim said that Edison's guy both talked about the different means of energy generation and but also showed a video and slides.

Janice is putting together a recruiting brochure, with Jerry Jambazian contributing some pictures. The idea is to get away from the stilted Objects of Kiwanis and getting into something more catchy for recruiting.

As to the Directors Meeting there are differing takes as to what went on. We liked the optimist view that progress is being made on the leadership level.

STUDENTS-OF-THE-MONTH, COME IN JERRY

Ms. Lynn Tenney (AKA Ms. Rad) brought two great students from Cloverly School.

Susan Hughh is 11 years old and is in Ms. Tenney's class. Her hobbies are basketball, counterstrike, and chatting online. Great things happened when she got her dog Tootsie. The best things about school are history and friends.

Crystal Wongchalermthan is 11 years old and in Mr. Lee's 6th grade class. Her hobbies are basketball, music, drawing, art, making and fixing things. The best things about school are her friends, the fun teachers, and learning new things. She wants to get straight A's in all grades. Crystal wants to have a good heart, be kind, helping, unselfish, and loving.

KIWANIS KALENDAR

May 10 Saturday 1:00 p.m. (or as soon after 1:00 as you can make it). We need volunteers to be at the Temple City Post Office to sort groceries. The more we have the easier it will be for everyone.

June 3 We'll be dark. More later.

BIRTHDAY

May 9 AI Driver. Incidentally, good wishes to Elmo as he sweats out the chemo.

KIWANIS CHALLENGES OSHA

On the back of the May issue of the magazine are the nine stooges, one standing on top of a long step ladder.

HOW IT ALL CAME TO PASS

In the beginning, God created the Heavens and the Earth including sugar from the cane. And woman went from size 6 to size 14. And Satan brought forth deep fried fish and chicken-fried steak. And man gained more weight and his cholesterol went through the roof. And Satan gave cable TV with a remote control so man would not have to toil changing the channels. And Satan created McDonald's and its 99-cent double cheeseburger. Then he said, "You want fries with that?" And man replied, "Yeah!" And Satan said "It is good." And man went into cardiac arrest. God sighed and created quadruple bypass surgery while Satan created HMOs.

See you Tuesday,
