**MAY 15, 2012 TUESDAY 12:00 P.M. VOL. 73 NO. 33**

**THIS TUESDAY**

Nikol Bowman is an Escrow Officer with West Coast Escrow in Arcadia. She will give us all the details of escrows between family and friends.

**LAST TUESDAY**

Lauren Rickabaugh graduated from TCHS in 2011 barefoot. She spent the first half of her senior year in Brazil, living and learning the new culture with her Brazilian family complete with aunts, uncles, and grandparents. She funded the trip by working at Mt. Wilson's Cosmic Cafe during the summer months. She hiked 7 miles up and 7 miles down all barefoot.

Brazil is the largest country in South America. It is the world's fifth largest country, both by geographical area and by population with over 192 million people. The Brazilian economy is the world's sixth largest by nominal GDP and the seventh largest by purchasing power. It has a coastline of 4,655 miles.

Mike Miller held a loosely run democratic election of the officers for the 2012-2013 Kiwanis year. May 12 is the Annual Postal Food Drive to benefit People For People. Workers are needed from 12-6 p.m.

**NEW MEMBER INCENTIVE PROGRAM**

Most likely the reason you joined Kiwanis was because someone cared enough to ask you. To that end, the membership committee under the leadership of Steve Montesanti has put together a new member incentive program. If a current member brings into the club one new member, within six months of bringing in the first member, that member's dues are paid in full for the following year. This is a trial program that has been approved by the Board of Directors for six months. New members are important to our growth. Maybe you have been thinking of asking someone to join. Now is the time!!

**STUDENTS OF THE MONTH**

We honored three outstanding students from Emperor Elementary School Pictured with the proud students is 6th grade teacher Miss Mary Ann Parrille.

**Michelle** is 12 years old and in Mrs. Scanlan's class. She has a younger brother and enjoys basketball, football, volleyball, softball, and art. Michelle said, "The best things about Emperor are the polite and responsible students, staff, and teachers." The best thing that ever happened was going to Emperor and meeting her amazing friends. If she could change one thing it would be that no one would ever litter. Personal goals are to build a finger scanner that could find a cure for diseases, get straight A's, make new friends every year, and learn new things as she grows up.

**Kyle** is 11 years old and in Mr. Giangregorio's class. He has an older brother and enjoys playing basketball, reading, and using the computer. Kyle said, "The best things about Emperor are the fun projects and activities, improving while learning, and the great teachers that help me." The best thing that ever happened was getting a PlayStation 3 for his hard work. Personal goals are to build a monument that reminds people of the importance of schools and education, make it to Algebra and English Honors next year, and become a better speaker in class and public.

**Sean** is 12 years old and in Ms. Parrille's class. He has a younger brother and enjoys reading, drawing, and playing games. Sean said, "The best things about Emperor are the good teachers, the fun events like hiking, and the Pumpkin Carving Contest." The best thing that ever happened was getting picked for the Temple City Youth Development trips. Personal goals are to build a time machine, get better in martial arts, get good grades, study hard and receive The Nobel Prize. Sean has been speaking English for only two years.

**KIWANIS KALANDAR**

May 10 - Official visit of California-Nevada-Hawaii Governor at Almanson Court.
