THIS TUESDAY

James Bruce Sievers will present "An American In Love With His Country". I think you of you old-timers remember James has been with us before. James hitchhiked more than 45 thousand miles through 42 states. During his trek he met and fell in love with his country and her people. Oh...I almost forgot, Steve Montesanti is our program chairman, and just by chance Toastmasters International awarded James with the Communication and Leadership Award.

LAST TUESDAY

Please forgive me for not reporting on last week's Nick Zigic program. We are running short on space. Mark Enkelaar has reported that his father, Jim Enkelaar has moved to assisted living in Glendale, Arizona. I am sure that we will all miss Jim, but we are hoping to see him again soon so we can give him a proper send-off.

Notes: Club elections for the new fiscal year which begins October 1st will take place this Tuesday. Jim Robuck and his committee are presenting the following slate: President, Steve Montesanti; VP, Jim Robuck; Treasurer, Mike Miller; IPP, Chuck Souder. Directors (vote for 7): Elmer Black, John Gera, Jerry Jambazian, Mike Lepore, Tom McIntee, Chuck Shaw, Dan Snell, Bob Tyler.

John Chandler reports "Last weekend our daughter Marianne Barrosa finished 1st in her age group in the Glendora 5K run daughter Emma age 5 finished 3rd in her age group. Youngest son Peter Chandler finished 1st in his age group in the Dam Sprint Triathlon at Lake Perris the same weekend. Sue said their ability was from her side of the family."

IN MEMORIAM

62 year member of our club, Water Tyrrel Shatford II departed this life on May 5, 2009. Walter will be remembered for his fairness, wisdom, generosity, and his wry sense of humor. Walter is survived by his wife of 64 years Sara, and 3 children. A memorial service will be held at 10 a.m. on Saturday, May 23rd, at All Saints Church, 132 N Euclid Ave in Pasadena. We will all miss this great man!!

POSTAL CARRIER FOOD DRIVE

Mike Miller reports "Last Saturday's Postal Carrier Food Drive went very smoothly and over 4,500 lbs of food in the form of canned, bottled and dry goods were sorted and delivered to the food bank for the San Gabriel Valley ran by People For People. New Key Club President Stella Yuan and eight (8) members of our Key Club participated with Mike Miller, Bob Tyler, Richard Wenzel, Dan Snell, Sue Matchett, Jim Robuck, John Gera, Chuck Shaw, and Pres. Chuck Souder with his grandson Frankie Guzman. Jerry Jambazian took photos of this worthy joint service project. This is the kind of "hands on project" that we can be proud of. Good job one and all."

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher Mrs. Jennifer Taylor.

Pedro is 11 years old and in Mrs. Scanlan's class. He enjoys playing football. Pedro said, "The best things about Emperor are the nice teachers and students, and the great Principal." The best thing that ever happened was being chosen a student of the month. Personal goals are to build a car that would fly and go on water, go to college, get a good job, and always do his best.

Abby is 11 years old and in Mrs. Taylor's class. Abby has two sisters and enjoys drawing, computers, and reading. Abby said, "The best things about Emperor are the nice teachers, helpful homework, and clean environment." The best thing that ever happened was coming to America. If she could change one thing, it would be to have no illness. Personal goals are to build a house for poor people, get straight A's, study hard, and exit English Language Development.

Emily is 11 years old and in Mr. Giangregorio's class. Emily has an older brother and enjoys playing soccer, ping-pong, and drawing. Emily said, "The best things about Emperor are the amazing teachers, friendly students, and clean campus." The best thing that ever happened was when her soccer team was flown to Hawaii for a soccer tournament. If she could change anything it would be to stop using drugs, and reduce the amount of cancer. Personal goals are to build an eco-friendly building for studying endangered animals, help the world receive a better education, and explore the whole world.

QUOTE OF THE WEEK

"Give a man a fish and he will eat for a day. Teach a man to fish and he will eat for a lifetime. Teach a man to create an artificial shortage of fish and he will eat steak." - Jay Leno
