MAY 19, 2015 TUESDAY 12:00 P.M. VOL. 76 NO. 33

THIS TUESDAY

Community Companion Animal Hospital's Dr. Joe Pavlik will offer his experiences as a Veterinarian. I have known Joe for many years when we used to play tennis at Live Oak Park. I always referred to him as Dr. Dog.

LAST TUESDAY

Ninety year old San Gabriel Kiwanis member Dr. Royce Foster was our program for the day. He joined Kiwanis in 1966. He attended local schools and graduated UCLA in 1952 with a degree in Osteopathic Medicine. He became an MD in 1962. He has been a pediatrician for decades and still fills in for pediatricians in the area several days a week. His pediatric specialty is for newborns to teenagers. He is the team doctor for Mark Kepple football team. He was also the pediatrician for Lisa Montesanti. He also has 9 children of his own by various means.

Dan Snell had a successful Honor Flight to Washington D.C.. Dan will possibly give a program on this wonderful experience. Sue Matchett returned from her trip.

The slate of officers has been set for 2015-16. Steve Montesanti for President, Mike Lepore for VP, Matt Smith as IPP and Treasurer, Directors: Bill Hohl, Dave Seltman, Sue Matchett, Dan Arrighi, Jim Robuck, Tom McIntee, and Jerry Jambazian. Voting will take place at our regular meeting on May 26.

Public Schools Recognition took place on Monday, May 11 at Emperor Elementary School. Those preparing the wonderful Farmer John's Tubesteak were Rob Rodenbucher, Ron Dorazio, Rich Wenzel, Steve Montesanti, and Jim Robuck.

POSTAL FOOD DRIVE

United States Postal Carriers and Kiwanis did a spectacular job Stamping Out Hunger. Those helping were Dan Arrighi, Bob Rodenbucher, Ron Dorazio, Matt Smith, Jerry Jambazian, Steve Montesanti, Mike Lepore, and Sue Matchett along with four Key Clubbers. In all the years I have been involved with this important program, this was the most food I have ever seen collected. Kudos especially to Jim Robuck, Dan Arrighi, and Steve Montesanti staying until the end after 8 p.m. transporting the food to People For People headquarters.

I had some observations that I will share. Our club is getting a little too old for this much physical work. We have less members now that are physically able. The time slated for us was from 1 to 4 p.m.. The letter carriers actually do not arrive back from their route until about 3:30 p.m.. We usually have 8 Key Clubbers to help. We only had 4 and they departed at 4 p.m.. I don't mean to be critical but we need to change some things next year. Dan Arrighi had a good idea with asking our Boy Scouts to help move tons of food.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the happy students was Emperor teacher Mrs. Mary Ann Geis.

Kaitlyn is 12 years old and in Mrs. Geis' class. She has a younger brother and enjoys playing tennis, violin, piano, reading, and hanging out with her friends. Kaitlyn said, "The best things about Emperor are the fantastic staff, fun activities, and my hilarious, kind friends." The best thing that ever happened was finding friends that are reliable and kind. If she could change one thing, it would be to end cancer. Personal goals are to build a Hello Kitty statue in Temple City, become a good musician, make her parents proud, and teach at Emperor.

Janelle is 12 years old and in Mrs. Scanlan's class. She has an older sister and enjoys baking cupcakes, reading, ice skating, and soccer. Janelle said, "The best things about Emperor are the 20 minute recess with all the equipment, silent reading in the morning, the nice teachers and staff." The best thing that ever happened was going to Catalina with her friends. It was educational and fun. If she could change one thing, it would be to keep animals at the shelter longer, rather than put them to sleep which she hates. Personal goals are to build a teleport machine to visit family more often in China, win a medal at the Emperor promotion ceremonies, get straight A's, and get into a good college.

Daniel is 12 years old and in Mr. Giangregorio's class. He has two younger brothers and enjoys videogames, playing basketball, and singing. Daniel said, "The best things about Emperor are my teachers, my friends, the playground and courts." Personal goals are to do well in school, become a better athlete, and be the best he can be.
