MAY 20, 2003 TUESDAY NOON VOL. 66 NO. 34

PROGRAM

Well Sir, with Jim Enkelaar in Holland, who knows what is going to happen? Only The Shadow knows and he refuses to tell Yr. Ed.

LAST WEEK

Mike Lepore presented ANN LUKE, who showed a video on the Watts Tower with her own commentary on the wondrous work of art.

STUDENTS OF THE MONTH (thanks to Jerry J.)

Emperor teacher Mr. Joe Turner, representing the 6th grade brought great students.

Joanna Chang likes playing volleyball, and she likes to draw. The best things about school are the math problems, the teachers are cool, and all her friends are at Emperor.

Evaline Wang likes to play basketball with her friends, and watch TV. The best things about school are P.E., hanging out with friends, and learning new things. Her goals are to be on the basketball team at Oak Avenue, get into honor algebra, and make new friends.

James Chen likes basketball, reading, and listening to music. The best things about school are socializing, learning new things, and making new friends. James goals are to get good grades, be a better basketball player, and is interested in taking clarinet lessons from our own Jim Enkelaar.

GUESTS OF THE CLUB

Dan Snell again brought George Rudar of American Heritage Realty, Dr. Derek Tong, optometrist. His office is on Rosemead Blvd, 2nd Floor across from Burger King.

SORTING THE GROCERIES

Hero roles were played by Chairman Jim Enkelaar, Pres. Bob Tyler, Mike Miller, Mike Lepore, Dan Snell and Tony Straub. The response of the public was considerably below that in 2002.

SICK CALL

Lou Merritt is going to have an operation in order to get rid of the stones. Elmo says they have changed his medication and he is now feeling better. Bob Classon, reports Janice, had a bad fall on concrete steps and broke his nose and cheek bones. He's recovering at home.

IRAQ AND THE BIBLE

Aside from Israel, Iraq, called Babylon, Land of Shinar and Mesopotamia, was where, according to Genesis, Eden was, where Adam and Eve were created and Isaac's bride came from, and indeed, Satan held forth. The first world empire was in Iraq (Daniel). The events of the book of Esther took place in Iraq, etc. etc.

"I WISH I HADN'T SAID THAT" DEPT.

"Al Queda is on the run. That group of terrorists that attacked our country is slowly but surely being decimated... there's not a problem anymore." George W. Bush. He's not alone, that great strategist, Rummy didn't have enough troops to prevent anarchy in Baghdad and elsewhere. "Stuff happens," is Rummy's cheerful summation.

AND IN CONCLUSION

Rare is the person who can weigh the faults of others without his thumb on the scale." Langfield.

See you Tuesday,
