**MAY 20, 2014 TUESDAY 12:00 P.M. VOL. 75 NO. 35**

### THIS TUESDAY

Mrs. Desi from St Lukes Robotic Team will be our speaker.

### LAST TUESDAY

Bob Rodenbucher is a Hunter Education Instructor licensed by California Fish and Wildlife. About three years ago they changed the name from Fish and Game.

Prior to 1930 just about everyone hunted. Now only about 11% hunt. After World War II the supermarket was invented, prior to that there were separate store for dairy, meat, bakery, etc.

There are more mountain lions in California now than in 1890, The last grizzly bear was killed in California in 1920. The bear is now on the California flag. The one thing that Bob stresses is that hunters need to be ethical and fair in their hunting.

There are plenty of private shooting clubs in Los Angeles County but only one public shooting range.

### NEWS and OPPORTUNITIES

Reminder: Sodas are on sale 4 for \$11. Buy some for yourself and for our Barbecue in July. How many Barbecue tickets have you sold or given to friends?

We will not be meeting at Denny's on Tuesday, May 27. Instead, we will meet on Thursday, May 29 at Wahibs Restaurant in Alhambra for a Division Interclub.

Lisa Montesanti is recovering well from thyroid surgery. Ron Dorazio is looking like new after his bout with pneumonia. Rich Wenzel has 2 spots remaining for ads on our placemats @ \$50 each.

We will have elections of officers for the 2014-2015 Kiwanis year on Tuesday, June 3. Congratulations to Dan & June Snell with their granddaughter Kim passing bar exam. Those helping with the Postal Food Drive were Dan Snell, Rich Wenzel, Jerry Jambazian, Mike Lepore, Dan Arrighi, Steve Montesanti, Mike Miller, Chuck Shaw, Jim Robuck and Ten Key Clubbers. Thousands of pounds of food were collected to benefit People For People.

### STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher Mr. Greg Giangregorio.

**Matthew** is 11 years old and in Mrs. Scanlan's class. He has an older brother and enjoys making catapults and balistas. Matthew said, "The best things about Emperor are my sixth grade teachers and the effort they give us, and my best friends." If he could change one thing it would be that everyone has a chance for a good job and attend college. Personal goals are to build a robot Army factory for all the brave soldiers, get straight A's for the third trimester, to receive AP honors classes in his sophomore year, and have a stable financial career later in life.

**Sabrina** is 11 years old and in Mr. Giangregorio's class. She has an older brother and enjoys art, studying and watching animals, playing League of Legends and Maplestory. Sabrina said, "The best things about Emperor are they usually make learning fun, the friendly people, and the many good teachers." The best thing that ever happened was getting her pet hamster. Personal goals are to make school shorter, build a animal shelter, get all A's, Get 100% on tests, and to get better at the violin.

**Sasha** is 12 years old and in Miss Parrille's class. She enjoys gymnastics, tennis, swimming, and shopping. Sasha said, "The best things about Emperor are the amazing teachers that make me interested in school, all my classes including science are interesting, I get to see my friends everyday." The best thing that ever happened was getting her teacup Pomeranian fluffy. Personal goals are to help all homeless people find a home, maintain straight A's, move up to advanced gymnastics, and do a service project for people in need.
