THIS TUESDAY

Temple City First Baptist Church Rev. Jim Walden will be our featured speaker.

LAST TUESDAY

Dr. Andrew Manley is a native of Jackson, North Carolina. He has lived in Los Angeles since 1969. He is a graduate of Cal State LA and on the board of numerous corporations. He is the founder and owner of AmeriCola, the first black owned Cola soft drink company in America. He is an authority on Black Economics and well as being a minister.

Dr. Manley has produced a film entitled "To Whom Much Is Given". It is a message of hope to urban America, especially South Central Los Angeles (if that is politically correct now). It urges us to find a willingness to buy into the needs of young America by giving them a hand UP instead of a handout.

Dr. Manley is the Founder and Principal of New West Technical Academy. It is a state certified non-public Special Education school. Dr. Manley is also an active Reserve Duty Probation Officer.

The Postal Workers food drive to benefit People For People last Saturday was a huge success. Thousands of pounds on food were sorted by ten of our members and ten from the Key Club. Members helping were Steve "sore finger" Montesanti, Sue Matchett, Chuck Shaw, Bob Rodenbucher, Mike Miller, Dan Arrighi, Mike Lepore, Matt Smith, Jerry Backstrom, and Jerry Jambazian.

Good to see Ron Dorazio back after a visit to the hospital again. Sue Chandler send a note to the club on behalf of John thanking us for the nice card.

Lt. Governor Bob Lagunas would like us to attend the official visit of Governor Gary Jander at a luncheon on June 15 at Luminarias Restaurant in Monterey Park.

STUDENTS OF THE MONTH

We honored two outstanding students from Oak Avenue Intermediate School. The students were brought by their teacher Mrs. Jessica Goad.

Winnie is 13 years old, has a younger brother and sister, enjoys reading, writing, shopping, and art. Winnie said, "The best things about Oak Avenue are the helpful teachers, the classrooms provide a comfortable learning environment, and the students are respectful and courteous." The best thing that ever happened is entering into three honors classes as a Freshman at TCHS. Personal goals are to make sure everyone gets an education because it is the solution to a lot of problems, have a stronger economy, achieve a 4.0 GPA throughout high school, learn a new skill, and overcome her fear of public speaking.

Tanner is 14 years old and enjoys airsoft, soccer, swimming, riding bikes, and being a DJ. Tanner said, "The best things about Oak Avenue are the teachers and staff, students, and the Principals." The best thing that ever happened was going to Italy with his mother for two weeks. If he could change one thing it would be the time school starts and ends every day. Personal goals are to build a robot to help with everyday life, get at least one year of straight A's for one full year in high school, attend an out-of-state college, and become a professional DJ.
