**MAY 26, 2015 TUESDAY 12:00 P.M. VOL. 76 NO. 34**

## THIS TUESDAY

John Pomeroy is with the District Attorney's Office and he will speak about elder abuse. John is also President of the Temple City School Board. We will also welcome Longden Students of the Month. Elections for officers for the 2015-16 Kiwanis year will take place.

## LAST TUESDAY

Dr. Joe Pavlik was a no-show from Companion Community Animal Hospital. It was a ruff day so we paws for a moment and Steve Tyre graciously stepped in at the last moment and told us to watch out for our kids that want to take everything we have and dump us out in the cold.

Steve mentioned that the successor trustee should be business oriented. If you have dysfunctional kids or you don't the best way to make sure your wishes are carried out is to use a video recording. A reverse mortgage is the most expensive mortgage. If you have a caregiver that you would like to include in your estate, don't do it through the trust unless you want a heap of trouble from the beneficiaries.

What are the differences in Wills and Trust? A **Last Will** is used to distribute property to beneficiaries, specify last wishes, and name guardians for minor children. It is an important part of any estate plan. Without one, the courts will make these critical decisions for you. A **Living Trust** is used to transfer property to beneficiaries. But unlike a last will, a living trust is not usually subject to probate court, which can take years and cost thousands in attorneys' and court fees. A Living Trust can include a free Last Will and Testament to name guardians for minor children and specify last wishes. A **Living Will** lets you outline important healthcare decisions in advance, such as whether or not to remain on artificial life support. A Living Will can include a Health Care Power of Attorney that allows you to appoint someone you trust to make critical health care decisions for you if you cannot.

As a client of Steve for over 25+ years if I ever had a problem with the IRS I would want Steve in my corner. We are both CPA's except mine is Cleaning, Pressing, and Alterations.

Barbara Gera and Marie Leonard were guest for the day. Tom McIntee celebrated his 7th anniversary joining our Kiwanis club. Our favorite senior will be honored at a luncheon on Saturday, May 23 at Live Oak Park. The time is 11:30 a.m. and Bob would love to have you there.

The slate of officers has been set for 2015-16. Steve Montesanti for President, Mike Lepore for VP, Matt Smith as IPP and Treasurer, Directors: Bill Hohl, Dave Seltman, Sue Matchett, Dan Arrighi, Jim Robuck, Tom McIntee, and Jerry Jambazian. Voting will take place at our regular meeting this Tuesday on May 26.

Public Schools Recognition took place on Monday, May 11 at Emperor Elementary School. We received a nice thank you note from Principal Bob Westgate. In part..."The schools working with the community is such an important part of a healthy society. I am proud of all the great things our community offers. Kiwanis makes up a big part of that".

## MEALS OF LOVE

Rich Wenzel is planning another Ronald McDonald House Meals of Love for Wednesday, June 3. The theme is beef with the main dish provided by Matt Smith and Steve Montesanti, Salad by Sue Matchett and Bob Rodenbucher, Bread by John Gera, Drinks by Ron Dorazio, and Dessert by Dave Seltman and Rich Wenzel.

## STUDENTS OF THE MONTH

We welcomed an outstanding student from the Dr. Doug Sears Learning Center. Accompanying Andrew was DDSLC teacher Mrs. Janet Roberts and Principal Mr. Chris Sewell.

Andrew is 18 years old and has three older brothers and sisters. He is in Mrs. Roberts' class and enjoys playing video games and reading books. Andrew said, "The best things about the Learning Center are the teachers and staff are nice, the students work hard, and the great environment." The best thing that ever happened was moving to California from Maryland. Personal goals are to build a statue of a fox, get a job, get a pet fox, and get his own house.
