MAY 28, 2013 TUESDAY 12:00 P.M. VOL. 74 NO. 33

THIS TUESDAY

A representative from the Los Angeles County Sanitation District will give us an overview.

LAST TUESDAY

Pastor Jim Walden is the pastor of Temple City First Baptist Church. He was born near Boston, MA, the third generation of preachers in his family. He has lived in Ohio, Michigan, and New York and enjoys living in Southern California without the snow.

Pastor Jim has developed seven words that describe TC Baptist, "One Family Developing People To Reflect Jesus".

Pastor Jim told of his life as a young man growing up with his best friend Chip. After attending college he lost contact with Chip. Chip got into all kinds of trouble with jobs and the law. Pastor Jim had Chip's phone number but did not call his friend because he lost his phone number. Chip was killed fleeing the police at a high rate of speed. When Jim received that phone call in the night that his friend had died it changed his life forever. He vowed he would never miss the opportunity to share his faith with others. The lesson we learned was when God gives you the phone number, don't wait to make the call.

Rich Wenzel is planning another Ronald McDonald Meals of Love June 5. The theme is beef with the main dish provided by Steve Montesanti and Rich Wenzel, Salad by Matt Smith and Chuck Shaw, Dessert by Bob Rodenbucher and Mike Miller, Bread by Dave Seltman, and drinks by John Gera. Thanks to these faithful members who give of their time, talent, and dollars each month to comfort families that are going through a difficult time with a sick child. We build!! We cook!! We serve!!

Congratulations to Steve and Lisa Montesanti upon the birth of their 4th Grandson. His name is Lucas and he came in to the world at 9 pounds 4 ounces. What happened to the good old days when we use to take a collection for a new child of a member? The member was required to put the money in a savings account for higher education. He even had to bring the passbook for us to see. Of course that was when you could get 12% interest.

Congratulations to Dan and June Snell upon their granddaughter receiving her Masters Degree from a University in Texas. Bob Rodenbucher thanked the members who supported and attended the Temple City Sportsmen Club Fish Fry Dinner. It is not true the fish was caught at Lake Jambazian.

It was good to see Jim Robuck at club last Tuesday. He even led us in a Patriotic song that we all knew. Barbecue and raffle tickets have been distributed to the membership with money already coming in which means it is to late for Mike "Mr. Happy" Miller to cancel the event.

Lt. Governor Bob Lagunas would like us to attend the official visit of Governor Gary Jander at a luncheon on June 15 at Luminarias Restaurant in Monterey Park.

STUDENTS OF THE MONTH

We honored two outstanding students from the Dr. Doug Sears Learning Center. Pictured with the proud students is Principal Stephen Martin Edo and evening clerk Cheryl Vigil. The two honorees have Mr. Rios, Mr. Jahan, Mr. Patterson, and Mrs. Roberts for their teachers. Principal Edo thanked our club for our support. Next year he will devote all his time at Cloverly Elementary School.

Darby is 15 years old and in the 10th grade. He has an older brother and enjoys biking, video games, and making music. Darby said, "The best things about the Learning Center are the staff and teachers are nice, not to much peer pressure, and being able to work at my own pace." His favorite memory is all the fun times with his older brother. Personal goals are to graduate from High School, enter college or join the Army, and become successful.

David is 16 years old and in the 11th grade. He has two older sisters and enjoys baseball, major league gaming, and biking. David said, "The best things about the Learning Center are the staff such as Mr. Rios and Mr. McKinnis, and football." His favorite memory was going to a Christian event in San Diego last year. He would like to change the way people respect each other. Personal goals are to attend Trade School, graduate, and get his driver's license.

QUOTE OF THE WEEK

"We do not know what we want and yet we are responsible for what we are - that is the fact." -- Jean-Paul Sartre

See you Tuesday, Jerry
