LAST TUESDAY

Every model train builder can remember their first train. Perhaps it was a set, such as the Lionel train sets that showed up under so many Christmas trees during the middle part of the 20th century, or maybe they helped out a relative or friend with building their own model railway.

A company called Marklin produced the first complete clockwork train sets in the 1890's. These sets were expensive enough to be out of reach for the average person. Marklin not only made beginner train sets but accessories and parts that allowed you to add or personalize your model railway. They sold different kinds of locomotives, tracks and more. While this company continued to improve and refine its product, other companies began to join in. Many of the model railway producers were located in Germany. Sometime around this period, people began to realize that toy trains could be sold not only to children, but that a more sophisticated version, the model railways, would appeal to adults as well. Member Frank Deckon is one of those people.

Mike Lepore has come up with a slate of officers for 2011-2012 which begins October 1, 2011. Election will take place at our regular meeting on June 7th. The candidates are: Pres. Rich Wenzel, VP Jerry Backstrom. Directors: Frank Deckon, Bill Hohl, Jerry Jambazian, Mike Lepore, Sue Matchett, Tom McIntee, and David Seltman. Treasurer is still being vetted along with a Secretary. It will be a close race for Immediate Past President. Pre-requisite for Treasurer...don't lose the checkbook. All those who have not lost a checkbook more than twice...step up.

Doug Sears celebrated a birthday. Guest for the day were Sam Tyre and Dr. Gabriel Marichi. Elmer Black won an undisclosed amount of money in the 50-50. John and Sue Chandler's son Andrew who arrived from Florida to come in 3rd place at the Pasadena Marathon with a time of 2:44 which is about the same time for me to make a few trips through the buffet line.

STUDENTS OF THE MONTH

Kiwanis Club of Temple City was pleased to have honored three outstanding students from Longden Elementary School on May 24, 2011. Pictured with the proud students is Vice-Principal Mr. Robert Westgate.

Aziel is 11 years old and in Ms. Jennings's class. He enjoys reading and studying. Aziel said, "The best things about Longden is that you can wear anything appropriate for school, fun projects, and books." If he could change one thing it would be to have a bigger house. Personal goals are to rebuild the Twin Towers, go to college, become good at math, and have a good job.

Stephanie is 11 years old and in Mrs. Korsavong-Yi's class. She has a younger sister and enjoys drawing, singing, dancing, photography, swimming, and ice skating. Stephanie said, "The best things about Longden is the big campus, the staff are very kind and take the time to know you more, and the influential school code." The best thing that ever happened was going to Hawaii last summer with her family. Personal goals are to change global warming, build a Hello Kitty theme house, become a designer, get good grades at Oak Avenue and the High School, and travel around the world.

Julia is 12 years old and in Mr. Shahoian's class. She has an older brother and sister and enjoys drawing, reading, playing the piano and cello, and volunteering. Julia said, "The best things about Longden are the Principal and Vice-Principal, all my teachers, and great friends." Personal goals are to get the President's Award, pass piano level II, and be a better person.

MEMORIAL DAY THIS MONDAY

Memorial Day was officially proclaimed on 5 May 1868 by General John Logan, national commander of the Grand Army of the Republic, in his General Order No. 11, and was first observed on 30 May 1868, when flowers were placed on the graves of Union and Confederate soldiers at Arlington National Cemetery. A poem from 1915: We cherish too, the Poppy red That grows on fields where valor led, It seems to signal to the skies, That blood of heroes never dies.
