LAST TUESDAY

Gus Searcy was part magician, part salesman as he told of the perils of identity theft. Some things he has accomplished was receiving power of attorney at age 16, earning a six figure income by age 17. Landlord at 19. At 21 he became a 7-11 franchise owner. At 24 he owned a world champion Frisbee catching dog which made more money than some people in a lifetime. By age 28 he invented a product that is in the Smithsonian.

Small wonder that someone wanted to steal his identity some 10 years ago.

He travels the US telling his fast-paced story of new laws that effect identity theft. He said in the beginning that he was not selling anything. That was the red flag to me. When I asked what does this cost?, he said "stick around for a half hour later and I will tell you". Unfortunately, I had another appointment.

Mark Enkelaar was a guest of the club and reported that his father, Jim has moved to his new digs in Arizona. He can be found at The Forum at Desert Harbor, 13840 N Desert Harbor Dr, Room 420, Peoria, AZ 85381 (623) 933-0641. I am sure he would welcome calls and notes from us.

Tom McIntee was the big winner in our club elections. Tom will not be serving on the Board. He will be kept busy as a new great uncle.

The club election was held last Tuesday with the following results: President, Steve Montesanti; VP, Jim Robuck; Treasurer, Mike Miller; IPP, Chuck Souder. Directors: Elmer Black, John Gera, Jerry Jambazian, Mike Lepore, Chuck Shaw, Dan Snell, and Bob Tyler.

WALTER SHATFORD

Last Saturday at All Saints Church we said our good-byes to Water T. Shatford II. Those in attendance were Elmer Black, Jerry Jambazian, Mike Lepore, Mike Miller, Jim Robuck, Chuck Souder, Dan and June Snell, and Richard Wenzel. Chancellor Jack Scott told of Walter's accomplishments from his 94 years of service. In Walter's public life he worked diligently to make a good education accessible to everyone, regardless of race, color, or creed. Walter left us with this legacy, "Democracy is weakened when only a few are educated". The family will be establishing a scholarship in Walter's memory. Donations can be made to Pasadena City College Foundation, 1570 E Colorado Blvd, Pasadena, CA 91106.

STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Accompanying the students is their Principal Mrs. Cheryl Busick.

Miriam is 11 years old and in Mr. Shahoian's class. She has an older brother and enjoys playing games with her friends and spending time with her family. Miriam said, "The best things about Longden are it is challenging, fun, and everybody is nice." Personal goals are to become a doctor, go to Africa and help the needy, and lose weight. Miriam must be doing something right at Longden, she was chosen Student of the Month also in February.

Jessica is 12 years old and in Ms. Korsavong's class. Jessica has a younger brother and enjoys shopping and reading. Jessica said, "The best things about Longden are my friends, recess, and hanging out and talking." Personal goals are to help needy people with money, build a school, help in community service, finish school and become a fashion designer.

Lusa is 12 years old and in Mr. Ferguson's class. She enjoys reading, listening to music, drawing, and talking with her friends. Lusa said, "The best things about Longden are the cool playgrounds, awesome teachers, and the wonderful library." Personal goals are to build a huge castle made out of chocolate and candy that never melts, get straight A's, improve her reading and writing skills, and to get skinnier.

QUOTE OF THE WEEK

"The trouble with having an open mind, of course, is that people will insist on coming along and trying to put things in it." - Terry Pratchett
