## THIS TUESDAY

Our own Mike Lepore will speak everything Real Estate to us with trends including reverse mortgages. If you do not attend it could cost you 6%, but I am sure it is negotiable

## LAST TUESDAY

David Sanchez is the Supervising Industrial Waste Inspector for the LA County Sanitation District. Pardon me as I give you all the poop on his talk and slideshow.

The short story is they convert wastewater and solid waste into recycled water, energy, and recycled materials. They serve 5.4 million people in LA County and cover 815 square miles that encompasses 78 cities. The Sanitation District is the leader in production of green energy and the recycling of water and materials.

Athens Ed Chen sat in rapt attention as he saw all the things they were doing which mimic what Athens has been doing all along. They both have MRF (Material Recovery Facility). Things are going to change when the Puente Hills Landfill closes this summer. I think it is the BKK Landfill in Industry that is appropriately on Aroma Drive.

Rich Wenzel is planning another Ronald McDonald Meals of Love June 5. The theme is beef with the main dish provided by Steve Montesanti and Rich Wenzel, Salad by Matt Smith and Chuck Shaw, Dessert by Bob Rodenbucher and Mike Miller, Bread by Dave Seltman, and drinks by John Gera. Thanks to these faithful members who give of their time, talent, and dollars each month to comfort families that are going through a difficult time with a sick child. We build!! We cook!! We serve!!

Lt. Governor Bob Lagunas would like us to attend the official visit of Governor Gary Jander at a luncheon on June 15 at Luminarias Restaurant in Monterey Park..

Congratulations to Chuck Shaw who has been a member for 30 years and Jim Robuck with 29 years. Much to the dismay of the former treasurer we will not be cancelling the Barbeque in July. All members should have Barbeque and Raffle Tickets to sell. Raffle is \$5 each or 5 for \$20. Barbecue is \$20.

I spoke with Jim Robuck who finds himself back at USC Keck Medical Center. Jim became short of breath and it was diagnosed as water around the heart. They drained the water and will continue to monitor him for progress. We continue to wish the best for Jim and Cheryl during recuperation.

## STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Pictured with the proud students is Vice-Principal Mr. Robert Westgate.

**Hope** is 12 years old and in Mrs. Korsavong-Yi's class. She has three older brothers and sisters and enjoys singing, dancing, and architecture. Hope said, "The best things about Longden are my friends, the playground, and I have been here since kindergarten." The best thing that ever happened was being in a talent show and everyone clapping. Personal goals are to change her school habits, design a building, read more, be responsible, and to be less talkative.

**Hannah** is 13 years old and in Mrs. Jennings' class. She has three older brothers and sisters and enjoys reading, swimming, going to the mall, hanging out with family, and going to the beach. Hannah said, "The best things about Longden are my friends, the great education, and the people there." The best thing that ever happened was going on the Washington DC trip in the 5th grade. Personal goals are to make things less expensive, build a park, to be good at soccer, learn to speak Spanish, and to be more active.

**Andres** is 12 years old and in Mrs. Acosta's class. He has a brother and sister and enjoys playing sports. Andres said, "The best things about Longden are the safe playground, great education, and the staff are really nice." The best thing that ever happened was winning first place in soccer. Personal goals are to stop pollution, build a soccer stadium, be on the honor roll, be an international soccer player, and to attend a great university.

## QUOTE OF THE WEEK

"He who builds a better mousetrap these days runs into material shortages, patent-infringement suits, work stoppages, collusive bidding, discount discrimination--and taxes." -- H. E. Martz

**See you Tuesday, Jerry**
