JUNE 12, 2012 TUESDAY 12:00 P.M. VOL. 73 NO. 37

THIS TUESDAY

Verena Somer will present "Making your Business Grow".

LAST TUESDAY

Jerry and Mary Backstrom have been involved with Road Scholar for the past three years. You might have known this organization under its prior name, Elderhostel.

Road Scholar is America's first and the world's largest education and travel organization dedicated to serving baby boomers and beyond. They have 6,500 program throughout the United States and in more than 150 countries around the globe. The world is their classroom and they anticipate that 100,000 participants will go on an educational adventure.

When you add up all the elements that are standard, Road Scholar is measurably the best value for people who want more than a vacation.

D-DAY

The Normandy landings, code-named Operation Neptune, were the landing operations of the Allied invasion of Normandy, in Operation Overlord, during World War II. The landings commenced on Tuesday, 6 June 1944 (D-Day), beginning at 6:30 am. In planning, D-Day was the term used for the day of actual landing, which was dependent on final approval.

The landings were conducted in two phases: an airborne assault landing of 24,000 British, American, Canadian and Free French airborne troops shortly after midnight, and an amphibious landing of Allied infantry and armored divisions on the coast of France starting at 6:30 am. There were also decoy operations under the code-names Operation Glimmer and Operation Taxable to distract the German forces from the real landing areas.

Supreme Commander of the Allied Expeditionary Forces was General Dwight Eisenhower while overall command of ground forces (21st Army Group) was given to General Bernard Montgomery. The operation, planned by a team under Lieutenant-General Frederick Morgan, was the largest amphibious invasion in world history and was executed by land, sea, and air elements under direct British command with over 160,000 troops landing on 6 June 1944, 73,000 American troops, 61,715 British and 21,400 Canadian. 195,700 Allied naval and merchant navy personnel in over 5,000 ships were involved. The invasion required the transport of soldiers and material from the United Kingdom by troop-laden aircraft and ships, the assault landings, air support, naval interdiction of the English Channel and naval fire-support. The landings took place along a 50-mile stretch of the Normandy coast divided into five sectors: Utah, Omaha, Gold, Juno, and Sword.

OTHER HAPPENINGS

Key Club conducted their car wash last Saturday at the Nazarene Church. Many thanks to Dr. Shima for water. Besides the Key Club, our members helped with Jerry Backstrom, Sue Matchett, Mike Miller, and Richard Wenzel. Since water was being used to wash the cars our two watermen Dan Arrighi and Chuck Shaw donated \$\$\$. Good thing no one called the EPA for putting waste water in the storm drains. \$230.00 was raised for the Key Club including donations.

Dr. Doug Sears Learning Center graduation on Monday, June 11 at 6:30 p.m.. If you would like to attend please RSVP right away.

Steve Montesanti has agreed to be the Program Chairman for August.

Time to sell your raffle tickets for the BBQ. The big prizes are a flat screen TV, Kindle Fire, and \$50 in lottery tickets. The BBQ is on Saturday, July 21 at Oak Avenue School.
