JUNE 17, 2003 TUESDAY NOON VOL. 66 NO. 38

PROGRAM

It's Hillery Grosberg, of West Los Angeles, a Women's Lawyer Assn. speaker (who has addressed us previously on a different subject) will speak on "BUYING AND SELLING YOUR OWN HOME" Our realtors, in particular, will be all in their full attention mode.

LAST WEEK

Yr. Ed. had to attend, in Los Angeles, an emergency Board of Directors meeting but Mike Miller and Jerry J. have come through with my request to tell us what went on at T.C. Kiwanis. Mike Miller reports as follows: (In order to save space I've deleted parts noted by 3 dots).

"The 'Flying Dutchman' Jim Enkelaar returned. Also returning were Harlos and Elmo. Mike Lepore brought Natalie Bulaich and Paula Ono from his office for lunch and also presented a stuffed animal bearing the company name of Elmer Black's employer... Janice Murasko introduced Alex Mendoza from AMARTE Printing as a guest of the club. The newly revised Millham Memorial Field will be unveiled on June 14th. Mike Lepore will be recruiting members for an inter-club with Pasadena next week.

The Key Club will need adult chaperones if they are to sell drinks during summer school. Janice is trying to find suitable adults while she is on vacation, so give her a call. Our Boy Scout Troop 161 is having a pancake (no eggs) breakfast on June 28th. "The membership present were strongly against any price increase for the BBQ."

Jerry J. is now reporting as follows: Theo P.J. van der Linden from the Sun-Bridge Care Center gave us the scoop on nursing homes. There are 17,000 nursing homes in the U.S. with 1 1/2 million folks living in them. 90% are private, with 68% being for profit. When checking out a home for a loved one, there are many things to take into account. Ask to see the survey report, ask some patients and families, do the smell test, check out the kitchen, see how the health care workers interact with the patients. Most nursing homes have an "open door" policy, so if your loved one has Alzheimers you may need a special place.

STUDENTS OF THE MONTH

Principal Doug Walters from Cloverly brought two great students. Kelsey Hardwick is in Mr. Lee's 6th grade class. Kelsey enjoys playing softball and drawing. The best things about school are the enthusiastic teachers, the after-school programs, and the great principal. Florence Yu is in Mrs. Stoke's class. Florence's claim to fame is that both her brothers have been Students Of The Month. Her hobbies are soccer, stitching, sports, piano, and orchestra. Florence has goals of getting good grades at Oak Avenue, meeting new friends, and to have a fun year. Congratulations to Ms. Lynn Tenney who was selected as Teacher Of The Year at Cloverly. Principal Doug also gave us an interesting insight into taking the Metro Line from Redlands each day to Cloverly.
