**JUNE 26, 2012 TUESDAY 12:00 P.M. VOL. 73 NO. 39**

## THIS TUESDAY

Los Angeles County District Attorney David Demerjian deserves much credit for his unwavering conduct in going after corrupt political figures in the greater LA County area. In the recent past he has filed charges against several corrupt officials in the City of Bell for egregious conduct in bilking the public out of millions of dollars. David comes to us because of Steve Tyre's relationship to Steve Cooley. Please be nice to David as his last name ends with "ian".

## LAST TUESDAY

Joe Donofrio spoke about TimeBanks in Temple City. The mission of TimeBanks is to nurture and expand a movement that promotes equality and builds caring community economies through inclusive exchange of time and talent. We are working with TimeBanks leaders across the US and internationally to strengthen and rebuild community, and use TimeBanks to achieve wide-ranging goals such as social justice, bridges between diverse communities, and local ecological sustainability.

We are all assets. We all have something to give. Some work is beyond price. Work has to be redefined to value whatever it takes to raise healthy children, build strong families, revitalize neighborhoods, make democracy work, advance social justice, make the planet sustainable. That kind of work needs to be honored, recorded and rewarded.

Helping works better as a two-way street. The question: "How can I help you?" needs to change so we ask: "How can we help each other build the world we both will live in?" We need each other. Networks are stronger than individuals. People helping each other reweave communities of support, strength & trust. Community is built upon sinking roots, building trust, creating networks. Special relationships are built on commitment.

Every human being matters. Respect underlies freedom of speech, freedom of religion, and everything we value. Respect supplies the heart and soul of democracy. When respect is denied to anyone, we all are injured. We must respect where people are in the moment, not where we hope they will be at some future point.

A big thank you to Jerry Backstrom for procuring an ice cream sign that we can use in the park. After last year I am reluctant to use the term "soft serve". Late Breaking News: We did serve "soft" ice cream at the opening concert Wednesday.

Guests in attendance were Frank Reudel, Carole Rodenbucker, Marie Leonard (who thanked the club for get well wishes). Frank Deckon showed a photo of his new grandson.

A Memorial Service for former member and two-time President Jim Enkelaar was held on Saturday, June 16 at the Sunrise Church in Temple City. Members attending were Mike Miller, Sue Matchett, Dan Snell, Jerry Jambazian, Jim Robuck, John and Sue Chandler. Mike gave a very touching tribute to Jim and told of some of the humorous times with Jim.

## STUDENTS OF THE MONTH

We honored two outstanding students from Emperor Elementary School. Pictured with the proud students is Super Emperor Principal Kathy Perini.

**Hannah** is 12 years old and in Mrs. Scanlan's class. She has a younger brother and enjoys writing poetry, rock collecting, playing flute, swimming, hiking, and biking. Michelle said, "The best things about Emperor is the Principal, Ms. Perini. She is personable and caring, but strict when she needs to be. The teachers and staff support the students and encourage them to do their best, and all the friends I have made in my 7 years at Emperor." The best thing that ever happened was getting her baby brother because they will always be friends. Personal goals are to end wars, go to a great college like Stanford, Harvard, or Yale, get a good job that involves writing, publish a novel that will win awards.

**Alisha** is 11 years old and in Miss Parrille's class. She has an older brother and sister and enjoys playing the flute and piano, basketball, swimming, and solving math equations. Alisha said, "The best things about Emperor are the teachers, the Principal, and all my friends." The best thing that ever happened was getting a 3 pointer playing basketball. Personal goals are to end world hunger, build a huge homeless shelter, get an A in reading, go to USC, become a billionaire and be successful.
