THIS TUESDAY

Our own Matt Smith will tell us what it takes to put on the Grad Night at the High School. Maybe Matt will have a surprise for us as the theme was "Party Like a Rock Star".

LAST TUESDAY

Have you ever wondered where and how your remaining years on earth will be? Silvia Samuelson has been serving seniors at Villa Gardens Retirement Community for the past 14 years and would like you to consider her facility. It could cost you \$10,000 per month for round-the-clock care at home. Villa Gardens at Lake and Villa offers all the amenities for senior living at its best.

Sam Tyre visited Norm for lunch. Barbara Gera brought John some luck when he drew the lucky card in the drawing. They were seen at the Azusa Costco spending the loot. Mr. Happy#1 AKA Mike Miller told of the District Convention in San Diego. Chuck Shaw thanked everyone except me for keeping the dates of his birthday and when he joined Kiwanis straight. See those Barbecue and E-Bike tickets. Jerry Backstrom informs me of our Barbecue sign going up at Las Tunas and TC Blvd.

Our heartfelt condolences go out to Pat Wenzel at the passing of her father. Richard and Pat are in Fort Wayne, Indiana now with the family.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Pictured with the proud students is their Principal Ms. Kathy Perini who thanked our club for its continued support of Emperor.

Sommer is 12 years old and in Miss Perrille's class. She has five brothers and sisters and enjoys basketball and dancing. Sommer said, "The best things about Emperor are the teachers, equipment, and programs." The best thing that ever happened was going to the AAU National Championships in Florida to compete. Personal goals are to build a roller coaster in her backyard, make the college basketball team, get an academic scholarship, and teach special education children.

Nikki is 11 years old and in Mr. Giangregorio's class. She has two younger brothers and enjoys reading, playing with friends, and listening to music. Nikki said, "The best things about Emperor are the great teachers and Principal, friendly students, and fun events." The best thing that ever happened was going to Orlando, Florida with her mother. Personal goals are to rid the world of diseases, build a home for people that need shelter and food, get a fun and exciting job, have no regrets, and go green.

Amber is 12 years old and in Mrs. Scanlan's class. She has two older sisters and enjoys going to the beach, BBQ with her family, and playing soccer. Amber said, "The best things about Emperor are the great staff, activities, and being able to learn new things." The best thing that ever happened was getting her dog Mocha. Personal goals are to have world peace, build a dream house for her parents, read more, study harder, and become a better soccer player.

QUOTE OF THE WEEK

"Typos are very important to all written form. It gives the reader something to look for so they aren't distracted by the total lack of content in your writing."

— Randy K. Milholland
