PROGRAM

LAST WEEK

Robert Percy, recovering from his Iraq wounds, said he had used his recovery time to go over the history of Afghanistan and Iraq and came to a conclusion as to what should be done. Robert said that Pakistan was rotten to the core and was responsible for the mess which we have in Afghanistan and Iraq. 75% of the oil was in the region he said, and the Islamic extremists (the 3rd Jihad) wants to grab all of the oil. Robert indicated that we would have to stay in Afghanistan and Iraq forever.

Yr. Ed. recalls that Donald Rumsfeld once said of Iraq, "I can't say if the use of force would last 5 days or four weeks or five months, but is certainly isn't going to last any longer than that."

The next 3 items are from Mike Miller.
