LAST TUESDAY

Mike Kniest is a retired Fire Captain with LA County and likes to restore Model A's. The Ford Model A of 1928-1931, also colloquially called the A-Model Ford or the A, and A-bone among rodders and customizers. It was the second huge success for the Ford Motor Company, after its predecessor, the Model T. First produced on October 20, 1927, but not sold until December 2, it replaced the venerable Model T, which had been produced for 18 years. This new Model A (a previous model had used the name in 1903-1904) was designated as a 1928 model and was available in four standard colors.

By February 4, 1929, one million Model As had been sold, and by 24 July, two million. The range of body styles ran from the Tudor at US\$500 (in grey, green, or black) to the Town Car with a dual cowl at US\$1200. In March 1930, Model A sales hit three million, and there were nine body styles available.

The Model A was produced through 1931. When production ended in March, 1932, there were 4,849,340 Model As made in all styles. Its successor was the Model B, which featured an updated 4-cylinder engine, followed by the Model 18 which introduced Ford's new flathead (sidevalve) V8 engine.

TOM MILLHAM AND THE BEARS

Former Cal-Nev-Ha Governor Tom Millham besides getting members for Kiwanis, is in the business of saving wildlife in the Lake Tahoe area.

The LTWC members are taking the cubs 'out' to the BEAR Cage after receiving their physical exams from Dr. Willitts.

'Tahoe' arrived on April 15th. The last three arrived on Saturday night, June 21st (Meyers cub) and two arrived Tuesday morning, June 24th (Conway Summit cubs). Dr. Kevin Willitts (Alpine Animal Hospital) arrived at LTWC this morning (Thursday, June 26th) at 9am and knocked out all four cubs, drew blood, gave a thorough exam and placed ear tags on all. Today was the first day they were placed in our BEAR Cage and with each other. Tahoe and the two 'Conway' cubs were with each other for the past 2 days, but, today, all three were greeted with 'Meyers', who was hit by a car in the town of 'Meyers', a community in South Lake Tahoe, last Saturday night. NOW - - - the fun part begins with the Rehabilitation.

P.S. Tom and Cheryl will be with us for our 75th Anniversary Celebration on August 12.

NEWS and OPPORTUNITIES

Congratulations to John and Barbara Gera on their 53rd wedding anniversary. Help is needed at the Concerts in the Park each Wednesday for our booth. Also, the Barbecue is fast approaching next month. Have you sold your dinner tickets? Have you sold your raffle tickets? This is our major fund raising event that helps us fund worthy projects and also gives us an opportunity to showcase our club and its members.

Please put the Cancer Relay for Life on your calendar for July 26-27 at Temple City High School football field. We have all been touched by cancer in some way. Come support this worthy event and help more survivors have more birthdays. We will be barbecuing hot dogs on Saturday the 26th at 11:30 a.m..

Please keep Mike Miller in your thoughts as he is at Arcadia Methodist again with serious ongoing medical problems. He is battling MRSA and a leg infection.

QUOTE OF THE WEEK

"The American wage earner and the American housewife are a lot better economists than most economists care to admit. They know that a government big enough to give you everything you want is a government big enough to take from you everything you have." - Gerald R. Ford (1913 - 2006)

See you Tuesday, Jerry
