JULY 27, 2010 TUESDAY 12:00 P.M. VOL. 71 NO. 43

THIS TUESDAY

Mike Kniest will provide today's program entitled "Henry Ford's Contribution to Aviation". Henry Ford's first involvement in aviation came in 1909, just six years after the Wright brothers' first powered flight, when he helped his son Edsel and friends build a primitive monoplane powered by a Ford Model T engine.

LAST TUESDAY

Teresa Lamb Simpson is the local representative for Congressman Adam Schiff. Her office is located in Old Town Pasadena on Raymond Ave. with 7 others helping in the office. She has worked for Congressman Schiff for over 13 years, since his days of serving in the California legislature.

Teresa serves as his eyes and ears in a district that serves 639,000 constituents in the cities of Alhambra, Altadena, Burbank, Glendale, Monterey Park, Pasadena, San Gabriel, So. Pasadena, and Temple City.

Adam lives with his wife (Eve) and 2 children at a home in Maryland near Washington DC. He has a condo in Burbank and spends most of his time in Washington and comes to California about every 2 weeks.

Teresa spends a good deal of time on problems with the Post Office and spends 3-4 nights out a week at public events representing the Congressman.

OTHER NEWS

Guest included Annett, cousin of Sue Matchett, and also daughter of Peggy Sue Miller, Harmony.

After several months of selling Home Theatre tickets a winner was finally picked at the Barbecue. George P. Miller from Pasadena was the lucky winner. Jim Robuck sold him the lucky ticket. The "lucky losers" were Mike Miller and Robert Hewitt coming in 2nd and 3rd.

Dan Snell was happy about his granddaughter being accepted to Southwestern University. Her studies are on global warming. Gee I wonder if she collaborated with Dan on his letter to the Star News editor?

I think we could all agree that the Barbecue was a success. Mr. Happy #1 reported that we served 244 adults and 22 children. John Gera was thanked for his excellent leadership and perceived calmness. A complete report will take place in the next few weeks. Those interested can view photos of the Barbecue at our website and the Chamber.

Chuck Souder is recovering from surgery that at times did not go well. Now I know what the Permanente in Kaiser Permanente means. They almost permanently maimed our favorite Santa. Chuck sends his best and is happy that the Barbecue went well.

I would like to give a big "shout out" to new member Jerry Backstrom who has done a lot during his short time as a member. He has taken on any project with enthusiasm, including lending his truck to transport or ailing ice cream machine to the City of Commerce.

FROM INCOMING PRESIDENT JIM ROBUCK

The new Junta is coming. I will be putting together a budget meeting in the next few weeks, to that end, all those who wish to include some new project (or an old one) please put together a package that we can include in the new budget. Should you have any questions, call me and we can talk.
