TEMPLE CITY CALIFORNIA
(Chartered August 8, 1939)

AUGUST 12, 2003 TUESDAY 12:15 P.M. VOL. 66 NO. 46

PROGRAM

Susan Nunnery, speaking on behalf of the Arcadia Methodist Hospital, will have as her topic:

"Active Health Program"

LAST WEEK

Betty Harris, of NAMI SAN GABRIEL VALLEY, spoke on mental illness, a biological condition, which strikes 1 out of every 5 families and makes the L.A. County jail the largest mental health facility in the U.S. Mrs. Harris spoke of their normal son who achieved a family goal as a C.P.A. and the other son will not be a Supreme Court justice but instead is the victim of a disease. Violence runs in families. You may read headlines like. "Mentally ill Person Kills Mother" but never read, "Diabetic Kills Mother."

DIRECTORS MEET: Common Courtesy Found Lacking

Yr. Ed. asked Mike Miller for a report. He said that there was nothing of great excitement but I could pass on to all of you, that it is very disconcerting to speakers who start to speak and have to work against the background of members talking. Your Ed. heard it quite clearly. It's no excuse that the offenders are talking about Kiwanis business. The directors went over the BBQ and whether we'll again do the Entertainment books.

HELP THE KEY CLUB

Remember, at Carl's Jr., Aug. 16, 11:00 a.m. to 5:00 p.m. The Key Club gets 25% of profits. Janice will pass out, at our next meeting, the flyers which you present when you order.

ANNIVERSARY

Aug. 18 Ruth and Lou Merritt

Incidentally, Lou's health is improving but it will be slow.

ERRORS AND OMISSIONS DEPT.

Yr. Ed. foolishly relied on a radio broadcast to the effect that there would be no freshman class at the UC System in 2004. Next day's news was that it was not quite that bad but the truth is that for the first time in history all high school graduates who graduate with the right stuff would not get in but a large number would be shut out. Not said was what will happen to numerous instructors with no students to teach. Possibly, they will be out campaigning against a lot of nearly brain dead legislators who can only say no. Yes is too big a word for them to handle.

TRADER JOE'S WISDOM

Mama says, Life is too short to skip dessert. Mama also says I am not a vegetarian because I love animals, I'm a vegetarian because I hate plants.

See on Tuesday,
