**LAST TUESDAY**

Did you ever want to fly? Jessica Privett is a commercial pilot and trains you to soar at about 6,000 feet above the earth. She has been interested in flying since she was about 8 years old.

Los Angeles Flight Center is based at El Monte Airport. They have technically advanced aircraft with GPS and Autopilot in every plane. I was surprised how affordable it is to keep you plane at the airport, about \$5.00 per day, what a bargain. Rental rates are from \$35.00 to \$160.00 a day. It costs from \$6,000 to \$10,000 to become a pilot. You need about 50 hours of flight training to obtain your license. One good thing...if the engine quits you can glide for 9 miles.

Guest for the day were Marie Leonard and Bob Moore. Dan Snell paid \$\$ for his wife June passing her driving test at DMV on the 4th try. There is one thing about the Snell's, they never give up. Dan also is proud of his granddaughter Joy for publishing her first book entitled "What Tomorrow Brings". Ron Dorazio treated us all with cake as we celebrated his birthday. Steve & Lisa Montesanti will be welcoming their first grandchild from daughter Candace. Chuck Souder would welcome calls and visits at El Encanto. Honorary member Lynne Burkardt's mother Evelyn is not feeling well.

**FROM PRESIDENT STEVE**

**FROM VICE-PRESIDENT JIM**
