## PROGRAM

Honorary Member Kathy Perini (Principal of Emperor) will talk on the  
"The Tournament of Roses: Temple City's Role"

## LAST WEEK

Susan Nunnery of Arcadia Methodist pitched for the value of exercise and the "Active Health Program" offered at the hospital. Norm credited his group therapy (near where he lives) with his being able to absorb his stroke. Yr. Ed's 2-bits worth. Don't get the idea that getting into an Active Health Program is a license to eat fatty foods. Dr. Walt will put it in Spanish: NUNCA.

## OFFICIAL NOTICE OF ELECTION

Due to the action of Kiwanis International the amount to be paid to Kiwanis International has been increased by \$15 per year. Our Directors voted to refer to the membership a proposal to make it \$16.00, the extra dollar to go to our club and it will make it an even \$73.00 per  $\frac{1}{2}$  year. Mike Miller, our parliamentarian, says we must vote, upon two weeks notice, to make any change in the dues. All members are hereby given the notice that at our meeting on September 2 we will vote. Yr. Ed. thus says that the only thing we have a choice on is the one dollar, which rounds out the dues.

We have to at least pay \$15.00 more every year. Incidentally, says Mike, if you are on jury duty on the date of a meeting it counts as attendance at Kiwanis.

## ENTERTAINMENT BOOKS

We will again be selling them and make a profit. We will guarantee 67 but we will sell more. If you have trouble sleeping then by pre-arrangement call either Mike Lepore or Ray Gudie at bedtime, for an explanation, and skip the Postum.

## KEY CLUB'S CARL'S JR. DEAL

Janice wasn't at our last meeting but she worked out a deal with Carl's. Just tell them you are from Kiwanis. Aug. 16 - 11:00 A.M. to 5:00 P.M. Key Club gets 25% of profits.

## BIRTHDAY

August 22 Rex Dondlinger

## STATE OF THE STATE

Every voter should have to read the op-ed page article on Aug 12 in the L. A. Times. 44% of the general-fund budget is mandated by voter-passed initiatives. No other state has this. The proper way to do it is to have the legislature have to go through the give and take, between competing interests. None of the competing candidates can do anything about the 44%.

## THE LAWYER IN CONCRETE (JOKE)

Chuck Shaw trotted out an oldie in order to discomfit lawyer Mike. A lawyer is found up to his neck in concrete. What does this mean? Answer: "They ran out of concrete." I'll beat Chuck to two oldies (1)What's the difference between a dead cat on the road and a dead lawyer on the road? Answer, there are skid marks around the cat. (2) Why do they use lawyers in the experiments? Answer: "There are some things a rat won't do."

See on Tuesday,
