THIS TUESDAY

Heeeee's Baaaack!!! You guessed it! None other than Jimmy Weldon, Pioneer Voice for Cartoons, Author and Speaker.

A local radio personality from 1946-1950, Jimmy was an early television pioneer starring in the first children's television show in Dallas, Texas in 1950. He moved to Hollywood in 1952 and appeared in various movie and television roles. But the role he is best known for is as the voice of "Yakky Doodle" in the Yogi Bear animated series. Mr. Weldon has been a motivational speaker for over 35 years. Jimmy's book, *Go Get 'Em, Tiger!* has sold nearly 30,000 copies and is only available at personal appearances and at his Internet website.

LAST WEEK

Brian Resinger, an Education Specialist with San Gabriel Valley Mosquito & Vector Control District gave us an up-close and personal look at the flying little critters that could potentially cause a huge problem.

Most people who are infected with WNV have no symptoms. Of those who become ill, mild symptoms may include fever, headache and body aches, nausea, a skin rash on the trunk of the body, and/or swollen lymph nodes. Symptoms of mild illness will generally last a few days. In severe cases, encephalitis (inflammation of the brain), meningitis (inflammation of the membrane surrounding the brain), and meningeoencephalitis (inflammation of both the brain and membrane) may occur. Severe symptoms may include high fever, headache, neck stiffness, disorientation, coma, tremors, paralysis, and possibly death. Neurological damage may be permanent. At greatest risk are the elderly and those who have weakened immune systems.

The time between the mosquito bite and the onset of illness (the incubation period) ranges from 5-15 days in humans. It is estimated that 1 in 150 people who are infected with WNV will require hospitalization.

Brian showed us many slides of the possible places that are a breeding ground for the West Nile Virus. It struck me that Brian (who is a newlywed) is spending way too much time at his neighbor's house where most of his photos were taken.

KIWANIS INTERNATIONAL FOUNDATION

This is it! This is the last chance for Temple City Kiwanis to join the other clubs in the California-Nevada-Hawaii District and participate in the 2005-2006 Annual Club Gift campaign.

The Kiwanis International relies heavily on the generosity of the clubs that participate in the Annual Club Gift Campaign to make a difference in the lives of children around the world. At the suggested minimum level of \$5 per member, you can help them maximize the amount of support they provide to clubs, divisions, and districts.

CLUB ANNIVERSARIES

If you guessed Walter Shatford as being the member who joined 59 years ago. You guessed correctly, you can be our next President.

KIWANIS KALANDAR

August 30 - Concert in the Park, The Answer, Classic Rock.

September 26 - "Adieu" to Jim Enkelaar and hello to Elmer Black.

QUESTION OF THE WEEK

Q: What is it called when a group of dry cleaners get together?

A: A press conference.
