## THIS TUESDAY

Mike "I'm workin' on it" Lepore will be our program chairman for September. Dave McReady will speak on solar panels. This is a very timely subject as you might have noticed the new student parking lot at Temple City High School. It looks like a regular parking lot now but there will be solar panels installed above the parking that will supply energy to the school.

Also we will have the privilege of inducting two new members into our club. Bob Rodenbacher and Ed Chen will join forces with us. Both should make great members.

## LAST TUESDAY

Jerry Backstrom, Rich Wenzel, and Ron Dorazio reported on their travels to San Diego for the Cal-Nev-Ha District Convention. Dan Arrighi gave his stirring rendition of the pledge of allegiance at the interclub luncheon. He did such a good job they did not provide a place for him to have lunch. Governor Tom paid special tribute to his father Tom Millham who had a great influence on him.

Jerry and Rich spoke of the many seminars they attended which included many new ideas including recycling our Cal-Nev-Ha and International Kiwanis magazines and distributing them in waiting offices such as dentist and doctors. Rich has some great new sources of fundraising.

2012 marks the 25th anniversary of Women in Kiwanis. Sue for President!!

Guests in attendance again were Sue's cousin Annette Abbott from Cincinnati. Dan and June Snell are very proud of their granddaughter Joi Copeland who has a published book entitled "What tomorrow brings". It is being sold at any bookstore that has not gone bankrupt yet.

## SEPTEMBER CELEBRATIONS

Tom McIntee birthday on the 9th. Frank and Connie Deckon wedding anniversary on the 12th along with Jim and Cheryl Robuck on the 19th. Club Anniversaries are Ron Dorazio on the 17th, Tony Straub on the 21st, Henry Walpus on the 25, Steve Tyre and Richard Wenzel both joined on the 30th.

## RONALD MCDONALD HOUSE FOR SEPTEMBER

The theme is ground beef. Main Dish is Chuck Shaw and Matt Smith, Salad is Ron Dorazio and John Gera, Dessert is Steve Montesanti and Rich Wenzel, Bread is Mike Miller, Drinks is Dan Snell.

## WHAT IS LABOR DAY?

The first big Labor Day in the United States was observed on September 5, 1882, by the Central Labor Union of New York. It became a federal holiday in 1894, when, following the deaths of a number of workers at the hands of the U.S. military and U.S. Marshals during the Pullman Strike, President Grover Cleveland reconciled with the labor movement. Fearing further conflict, legislation making Labor Day a national holiday was rushed through Congress unanimously and signed into law a mere six days after the end of the strike.

The September date originally chosen by the CLU of New York and observed by many of the nation's trade unions for the past several years was selected rather than the more widespread International Workers' Day because Cleveland was concerned that observance of the latter would stir up negative emotions linked to the Haymarket Affair, which it had been observed to commemorate. All U.S. states, the District of Columbia, and the territories have made it a statutory holiday.

## KIWANIS KALANDAR

September 6 - Dave McReady will speak about solar panels. Very timely with TCHS.

September 6 - Board Meeting.

September 13 - Budget meeting at Wenzel home.

September 24 - Installation of Officers at Wenzel's home

October 4 - We welcome all the new teachers in the TCUSD.

## QUOTE OF THE WEEK

"The Chinese use two brush strokes to write the word 'crisis.' One brush stroke stands for danger; the other for opportunity. In a crisis, be aware of the danger - but recognize the opportunity." - John F. Kennedy (1917 - 1963)

See you Tuesday, Jerry
