"THE CAMELLIA CLUB"
TEMPLE CITY CALIFORNIA
Chartered August 8, 1939

SEPTEMBER 7, 2010 TUESDAY 12:00 P.M. VOL. 71 NO. 49

THIS TUESDAY

Our own Sue Matchett is our program chairperson for September. Sue will review our US Constitution and History. Sue taught US History for 32 years to 8th graders in El Monte City School District. Some of us might need the remedial course!

LAST TUESDAY

Dan Snell did not mix his words. He says that Global Warming is a bunch of hoey.

Dan had brought 2 books with him. An Inconvenient Truth written by former VP Al Gore and a book written by Ian Plimer entitled Heaven and Earth. Al Gore's book omitted 40% of fact and has profited him with over 100 million along with the Pulitzer Prize and a divorce.

Only a geological perspective can provide a proper view of climate change. Professor Plimer's book does a masterful job of demonstrating that Nature rules the climate, not human activity. Dan's parting words were "it is important to get the science correct before new policy is made". Also "man's stupidity is only met with God's mercy". I am going to put my money on Dan. He has a degree in Chemical Engineering.

Key Club members Bella Chu, President, Vivian Luu, Vice-President, and Derrick Chang, webmaster and bulletin editor made a visit. Other executive members were Stella Yuan, Secretary and Cassie Chan, Treasurer. Next week I hope to devote some space to their accomplishments throughout the summer.

OTHER NEWS

29 guest had a great time at Steve and Lisa Montesanti's home last Sunday evening. A great dinner of tri-tip was served. Meals were hand delivered to Chuck Souder. A big thank you to Steve and Lisa for opening their home to us in appreciation for a great year.

Jerry Backstrom is cancer free!! Yea. Doug Sears paid \$39.39 for all the great years with Sally. Richard Wenzel is checking on the "Lobstas" in Maine. Former Oak Avenue Builders Club sponsor Winnie Joe was a contestant on Wipeout broadcast on July 1st.

MARYVALE NEWS

Our club presented a \$600 check to John Chandler to be given to Maryvale Orphanage. The money will be used to buy duffle bags. Maryvale has at any one time about 65 girls in residence. It has been noted that when they leave all their personal items are just packed into a 30 gallon plastic trash bag. Temple City Kiwanis wants to ensure that these young girls are sent off properly with dignity.

TEAM JOHN

As most of you know our own John Chandler and his family have been in a fight with non-smoking lung cancer. Attached please find a letter from John, Sue, their 5 children and 3 grand children. As you will see their are many opportunities to help in this fight with the proceeds going to The City of Hope.

FROM MR HAPPY#1 (AKA Mike Miller)

Pursuant to Int'l & District bylaw amendments, membership dues for the entire year will be due in advance on October 1st. The club is required to pay dues for the membership as of September 30th. If you do not intend to remain a member, you must notify the club immediately. You will be receiving a dues statement for the year for \$ 150.00 (the new board authorized the additional \$ 4.00 to round off the amount). If you need to pay in two installments, please mark your invoice and return it with the first installment of \$ 75.00. The second installment is owed and must be paid by April 1st. More information re dues will be forthcoming. Have a nice day.

KIWANIS KALANDAR

September 14 - Dave Seltman will tell us what it takes to run a restaurant.
September 21 - Team Captain from Trader Joe's will be out program.

TEAM JOHN

Dear Family and Friends,

Many of you know John Chandler in different ways. To some of you, he is John from the Model A Club, John from Maryvale, John from Kiwanis, Uncle John, Grandpa, Dr. Chandler, husband John, brother John, and to us he is Dad. Our Dad fought his third bout with cancer after he had a brain tumor removed in January of 2010 that had spread from nonsmoking lung cancer in 2009. He went through another round of treatments with radiation this time. It knocked him down and he got a haircut out of it but he fought on. His hair is growing back! ☺ John or Dad or Dr. Chandler has had an impact on many of your lives. His selfless attitude made you like him. From his days as a dentist, volunteering through Maryvale the children's home, to Kiwanis and through his church. John is an inspirational person and an individual to admire, respect, and honor. Marianne, Rob, Allison, Andy, and myself are fortunate enough to call him Dad. Emma, Tommy, and Elise are lucky to have such a great Grandpa who loves to chase his grandchildren and then sit down and have a nice cup of tea with them. Marianne, Andy, and myself want to honor our Dad's fight with cancer. He has been knocked down but keeps getting back up and stays strong. During our father's treatments, he attended events at City of Hope and was touched by the work that was being done at City of Hope. To honor our father's fight with cancer, we are fundraising in his name and will be donating 100% of the money to the City of Hope. You can make checks payable to CITY OF HOPE. Be sure to write "Team John/Lung Cancer Research" in the note section.

We are going to have fun as part of this fundraiser. My father has always encouraged us to live an active and healthy lifestyle. I remember as kids, he would take us on these horrific long bike rides to the El Monte airport, which only turned out to be about 5 miles round trip, but seemed pretty tough when we were kids. As part of his continued encouragement to live an active lifestyle, we will be participating in endurance races including 5ks, 10ks, triathlons, marathons and bike rides. Any type of endurance sport will do.

A group of us will be racing the LA Triathlon on October 3rd as a part of Team John. You are more than welcome to come out and watch as we finish in Downtown LA at the Staples Center/LA Live. Please let us know if you will be a part of Team John or coming to watch the LA Triathlon. Also, a friend of mine works at Kaiser and is able to get a discount for the LA Triathlon if you are interested in racing. Please contact me and I will send you the information.

You do not have to do an endurance sport to be a part of "Team John".

If you would like to be a part of Team John, you have four options.

1. Race the LA Triathlon or any other endurance race in John's name and fundraise for Team John.
2. Do not race but I will fundraise for Team John.
3. Not racing and not fundraising but I will be taking pictures and telling everyone about Team John.
4. Not racing, not fundraising, not able to go to race day but I want to be invited to the fundraiser and be updated about Team John.

Here is the website for the LA Triathlon: <http://www.latriathlon.com>

THE FUNDRAISING

We will be fundraising and donating **100%** of the money to the City of Hope Duarte, CA to lung cancer research. You can raise as much or as little as you want. There is no minimum to fundraise. You can raise \$0.25 or \$2,500. You can decide how much you would like to raise.

Thanks for taking the time to read this letter and thinking about being a part of Team John. Check out the Team John facebook, blogspot, and twitter pages for updates on fundraising parties, group workouts, and any other news on Team John.

There will be a fundraiser night with items to bid on. An XTERRA sleeveless wetsuit is the big item to bid on so far! XTERRA has been generous enough to donate a wetsuit to the cause.

Thank you for your time!

If you have any questions, please contact Peter at
