THIS TUESDAY

We are back at the Bahooka. Our own Sue Matchett will take us on a tour of China through the eyes of a tourist.

LAST TUESDAY

Rocket Man Richard Wenzel, former Cloverly teacher was invited by Principal Gary Goodson in 1977 to teach a rocket building class to 4th through 6th graders for 17 weeks. Richard taught his students how to build the rocket, fuel the rocket, and safely launch. Some of his students did such a great job that a rocket was found at Santa Anita Race Track having been launched from Longden school.

Richard and Pat also made a trip to Indiana. Unfortunately, they would not let Richard into Kiwanis International. Congratulations to Pat Wenzel for being chosen teacher of the year from Cloverly and also TCUSD Teacher of the Year.

We will be meeting at Coco's Restaurant on Baldwin Ave on September 15th. Also mark your calendar for our Installation of Officers at Coco's (Colorado and Mitchilinda) September 29th. 6-7 Attitude adjustment, dinner at 7:00 p.m. \$25 a copy for members. Our club is subsidizing some of the cost of this event. Dues statements have gone out. Make Mr. Happy#1 "happy" by paying before October 1st.

DOUG SKYDIVING

"My daughter Shelby has skydived before gave me the jump for as a birthday present in May. I decided to use it last weekend. We went to Skydive San Diego, which is located east of San Diego adjacent to Otay Lakes, 7 miles north of Mexico. This is a very nice facility and they have an excellent safety record.

The experience was exciting, the views are outstanding, you exit the airplane at 13,000 feet, free fall at 100-125 miles per hour for about 1 minute (5 seconds per 1,000 ft.), the parachute deploys at 5,500 feet, and you land gently in a field at the jump facility. Of course the first jump is tandem, harnessed to an instructor.

This is something I have always wanted to do and just haven't gotten around to it. It was so exhilarating and fun that I will definitely do it again. I would highly recommend it to others."

OTHER NEWS

I am sure President Chuck would like to extend his thanks to all who helped serve ice cream at the summer concerts. Especially keeper of the "machine" Jim Robuck and all the people who helped clean and transport. I think the final figures will reveal that this was a successful project of community service.

Incoming President Steve Montesanti is hosting a planning meeting at his home on September 15th at 6:00 p.m.. We think food will be provided, undoubtedly Italian.
