SEPTEMBER 9, 2014 TUESDAY 12:00 P.M. VOL. 75 NO. 51

THIS TUESDAY

Roger Ruiz from the Gas Company will speak on "Energy Upgrade California". He will speak about ways to conserve natural gas, and save money.

LAST TUESDAY

Steve Montesanti came up with another winner with Keith Larsen. Keith is a 25 year veteran with the Los Angeles County Probation Department. He is Director of Field Services. He has served in juvenile institutions, suppression activities, probation officer, supervisor for the high-risk offender unit. He is currently in charge of developing a GPS program for probation.

The County Probation Department is huge with a \$820 million budget. There are three juvenile halls in the County. Things are getting better, in 2004 their were 2,700 juveniles in the system, ten years later the number is 820. Case workers are hard to come by. They have 1,266 vacancies available and the new director has declared they were only going to take the best of the best.

Keith was not a big fan of AB109 with early release. There are many celebrities on probation, especially on the west side. Keith also gave interesting figures of incarceration figures according to your level of education. The smarter you are the less likely you are going to wind up in the system.

Keith performed an all time first. He gave us \$20 for his speaking gift plant. He said he was not able to take any gifts. I guess Denny's is not a gift.

NEWS and OPPORTUNITIES

Guest for the day were Lisa Montesanti and Marie Leonard. Rich Wenzel visited his 9-month old granddaughter who would not stop talking. Matt Smith paid \$\$ for his son moving out of the house.

Sick list include Mike Miller who had his right leg amputated to save his life. Mike needs a lot of TLC right now as he adjusts to this new way of life. At our Board Meeting last Tuesday, Ron Dorazio suddenly became ill with chest pains. He was taken to Arcadia Methodist Hospital. After several hours they ruled out a heart attack. Possibly angina pains. Stress test are in the works. Fortunate to be 500 feet from the Fire Station. Chuck Shaw is seeing an oncologist for his throat.

Steve Montesanti passed around a sign-up sheet for Program Chairman of the month. We all need to share in this opportunity for the benefit of our club. Just a reminder...you need to get a short bio for each speaker. No bio. No Reporting.

Membership dues are due by September 30, 2014. Treasurer Matt Smith is in the process of distributing dues statements now. If you have no intention of renewal please let him know now as we pay International on October 1, 2014. On that same note, International dues are increasing by \$5 per member. The Board decided to not pass along the increase again. The new 2014-2015 budget and program or work was approved by the budget committee on August 25, 2014. We will also vote on the dues structure and by-laws at the September 16 meeting. These items require a two week notice.

Dan Snell would like you to donate your gently worn shoes now through October 7. Donated shoes will be sent across the globe to people in need. Please bring to a club meeting and give to Dan. Affordable shoes are one of the greatest needs for people in poverty around the globe. In fact, more than 300 million children worldwide are without shoes.

After you attend the noon meeting at the District Office on September 23 (wear your Hawaiian shirt) then you can come to the Annual Installation Party that evening. Attitude adjustment is from 6 to 7 p.m.. Matt and Janet Smith promise a good time with a taco fiesta grill at \$15 each. The event will take place at the home of Parks and Recreation Commissioner Donna Georgino, 5825 Rowland, Temple City. Just off Las Tunas 1 block west of Baldwin, 200 feet south of Las Tunas.
