**SEPTEMBER 11, 2007 TUESDAY 12:15 P.M. VOL. 70 NO. 37**

**THIS TUESDAY**

Jo Bonds will tell all we wanted to know about whales. Yes we are talking about the ones found in the ocean!

**LAST TUESDAY**

John Gera introduced his friend Bill Duncan, a docent at the Autry National Center. John also said that when you go to work for the El Monte City School District, you don't leave. John Gera, Sue Matchett, and Bill Duncan have served the District for over 110 years.

The Autry National Center celebrates the American West through three important institutions: the Museum of the American West, the Southwest Museum of the American Indian, and the Institute for the Study of the American West. The Autry was established in 2003 following the merger of the Southwest Museum, the Women of the West Museum, and the Museum of the American West (formerly the Autry Museum of Western Heritage). Through innovative exhibitions, a broad range of programs and extensive collection of art and artifacts, the Autry National Center explores the distinct stories and interactions of cultures and peoples, and their impact on the complex, evolving history of the American West.

The Autry National Center, formerly known as the Museum of Western Heritage, was co-founded by Gene and Jackie Autry and Monte and Joanne Hale. With the opening of the Museum in 1988, Gene Autry realized his dream "to build a museum which would exhibit and interpret the heritage of the West and show how it influenced American and the world." Mr. Autry was a legendary recording and movie star whose illustrious career spanned some 60 years in the entertainment industry. He was also a broadcast executive and major league baseball owner.

Guests also attending the meeting were Frankie Guzman and Philip. Also 5 Key Club members consisting of Lt. Governor Jessica Tang, President Jennifer Ma, Vice-President Brandon Kvang, Treasurer Cannus Thieu, and member Anthony Dang.

Congratulations to Key Club Division 10 for being named #1 in the District for project hours totaling over 15,000. We Build!

**KLUB ETIQUETTE AND OTHER STUFF**

It has come to the attention of many members that its just plain rude to have so many cell phones going off during the speakers presentation. It is rude to your fellow member who has to listen to your disco ring tone and shows disrespect to our speaker. When you enter the room please do one of the following: turn it off, turn to a silent setting, or set it to vibrate. Some of you need not take the last option, you know who you are!

Dues statements are being mailed out this week. Please give your money to Mike Miller. Please keep in mind that this is a new Kiwanis year beginning October 1st. We pay International dues for you for the whole year up front.

The Michelle Ford Benefit Concert will take place next Wednesday, September 12th in the park. We will be selling ice cream and donating all the proceeds to help with medical expenses. Michelle is a cancer survivor at 17 years old has had 7 major surgeries with the latest one being a total hip replacement. There will be a sign-up sheet at club this Tuesday. Remember our Kiwanis motto: Kiwanis International is a global organization of volunteers dedicated to changing the world one child and one community at a time.

**A NEW BUILDERS CLUB MEMBER**

Oak Avenue's Builders Club Advisor Winnie Joe is a new mother. Jaden Che-Duan Joe entered the world on August 19th, weighing 5 pounds 15 ounces and 19.5 inches long. For those who would like to check out photos of Babe Joe, check out his daddy Stephen's blog, [www.snappyjoe.com/blog](http://www.snappyjoe.com/blog) Congratulations Winnie and Stephen on your new addition.
