PROGRAM

Jack Cudworth will speak on "The History and Tradition of The Pasadena Tournament Of Roses Association, The Rose Parade, and The Rose Bowl Game".

LAST WEEK

Daniela Bliss from Wells Fargo provided members with information and sang the virtues of "reverse mortgages." Certain real estate and financial institution members of our club interrogated her with good questions. I would have loved to have read what Walter would want to say on the subject. Needless to say, there are advantages and disadvantages to it and no one should rush into it without talking to estate planning experts.

SICK CALL

Our beloved Editor in Chief, Walt Shatford, was in an auto accident over the weekend and is recovering from being banged up at Arcadia Methodist. We all wish him a speedy recovery and as you can tell, it will be difficult to fill his shoes.

HURRICANE RELIEF

Money donated by you in the plastic case is designated to go to one or both of our Kiwanis Foundations. Your board has decided to send a donation to the Salvation Army for the hurricane relief in the Gulf area. The money donated by the members to the end of the month will be matched by the club.

FARM CITY NEEDS BEDS

The Farm City program is trying something new. The trips will all be conducted in October to avoid testing conflicts. The students from Div. 18 will be coming down here on October 11 and we need housing, especially for girls. If you can take a student or two, let us know.

LT. GOVERNOR'S INSTALLATION

Bob Lee from Altadena will be our next Lt. Gov. He is a good guy and his installation will be on September 15th at Marie Calendar's in Pasadena. Cost is \$25.00. Let Mike Miller know if you want to attend.

PRESIDENT JOHN CHECKS IN

Each year our club budgets \$100.00 for a donation to foundations. This money comes from the donations placed in the box located on the table where you pay for your lunches. As of this time we have collected about \$65.00 this year. The board of directors at the Sept. meeting approved the following:

1. We will pass the box around the tables during the next two meetings.
2. This money, added to the previous amount, will be doubled by the club treasury.
3. The total will be donated to the Salvation Army for specific use in the Katrina hurricane areas.

Do you enjoy reading this bulletin? Many thanks to Walt Shatford for his continuing efforts for many, many (unknown number) years of putting this document together each week. Our bulletin has in the past won awards for the quality of the document. It is no small project to weekly gather information, add fillers when necessary, and produce in typed form and send off for printing and distribution. The Board thinks it is time to offer assistance in this project. If anyone feels that they could lend a hand in the production of this bulletin, I am sure Walt would welcome the help.

Art Luna has available to him a number of discount tickets to the Los Angeles County Fair, If interested, please call Art.

Several opportunities are becoming available for fund-raising. One of the requirements is that our club be IRS approved as a 501 (c)(3) organization. Kiwanis International has approved the filing of an application that would make this approval available to local clubs. This process will take 6-8 months.

Several speakers over the last year have requested a DVD player to assist in their presentation. The Board has approved the purchase of a DVD/VCR unit at a cost of \$0.00 to \$100.00. This will replace the old VCR unit we now have.

SEE YOU TUESDAY,
John, Jerry, and Mike "where are the checks" Miller
