SEPTEMBER 29, 2015 TUESDAY 12:00 P.M. VOL. 76 NO. 52

THIS TUESDAY

No Denny's this Tuesday. We will have our annual installation of officers on Tuesday evening at Mini's Restaurant in Monrovia (corner of Mayflower and Huntington Dr). Get together at 6. Dinner at 7.

LAST TUESDAY

We had a full house last Tuesday. Superintendent Kathy Perini invited all Principals of the schools including Assistant Supt. of Educational Services Dr. Kate Franceschini and Director of School to Career Enrichment Programs Kevin Herington. This is a new position for Kevin. Also, Frank Reudel and Dr. Royce Foster.

In July 2009 Judy Chu was elected to the U.S. House of Representatives. She represents the 27th District which includes Pasadena and the West San Gabriel Valley.

The list of her accomplishments are great having began her political career when first elected to the Board of Education of the Garvey School District. From there serving as Mayor three times on the Monterey Park City Council.

She became the first Chinese American woman elected to Congress in history. I don't have the space in this publication to list all the committee's she serves on.

On Sunday October 4, the Elks Club of Pasadena will be holding an American red Cross Blood drive in partnership with the Kiwanis and Rotary clubs at the Pasadena Elks Lodge, at 400 W. Colorado Blvd., Pasadena, from 9AM until 3:15 PM. Live music will be provided by the Pasadena Symphony. In addition, the Lodge is supposed to be a treat to see in and of itself.

Ernie Arnold's Lt. Governor Installation will be on Friday, October 9, at the American Legion Hall, 24 N Stoneman Ave., in Alhambra. It will start at 6:00 PM and will cost \$25.

On October 17, there will be a Div. 10 Key Club "convention" at So. Pas. HS from 9AM until 5PM. The address is 1401 Fremont Ave., in South Pasadena. The focus will be on training for Key Clubbers, but they will also be providing training for Kiwanis Key Club Advisers, though all Kiwanians are invited to drop in and visit.

That travlin' man Rich Wenzel is announcing the Wednesday, October 7 Ronald McDonald Meals of Love. The theme is chicken with the Main Dish by Sue Matchett and Steve Montesanti, Salad by Rob Rodenbucher and Rich Wenzel, Bread by Dave Seltman, Drinks by Dan Snell, and Dessert by John Gera and Matt Smith. Rich Wenzel might bring back some wedding cake from Indianapolis.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the happy students was their teacher Mrs. Diana Lam and Principal Adin Rudd. Pictured to the right are Congresswoman Judy Chu and Superintendent (and member) Kathy Perini.

Stacey is 11 years old and has four brothers. She enjoys dancing, singing, swimming, and hiking. Stacey said, "The best things about Longden are the amazing staff, the fun activities we get to do, and my amazing friends." The best thing that ever happened was camping for the first time at Malibu Creek State Park. If she could change one thing, it would be to end world hunger. Personal goals are to build a portable school for kids, get good grades, explore the world, and follow her dream of becoming a pediatrician.

Mio is 11 years old and has an older sister. She enjoys sewing, knitting, and reading. Mio said, "The best things about Longden are the library, having a lot of friends, and my teacher Mrs. Lam." The best thing that ever happened was meeting her grandparents who came to America from Japan. If she could change one thing, she would like to be the older sister. Personal goals are to build hotel for kids only, get better grades, get a good job in the future, and travel around the world.

Joshua is 11 years old and has a brother and sister. He enjoys playing soccer. Joshua said, "The best things about Longden are math and science classes." The best thing that ever happened was going to Catalina three times. Personal goals are to build a small phone that is really smart, get better at math and writing, and do the volcano project.

ON A PERSONAL NOTE

The following are my comments and mine only: When we have a guest speaker we need to be respectful and not engage the speaker in a controversial subject you strongly believe in. I absolutely respect your right to ask the question but in the proper forum. It is not our right to embarrass or blind-side a speaker with a controversial question that you are passionate about. I belong to the party with 15 candidates but I do not draw party lines. I thought Adam Schiff did a great job for us and I feel that Judy Chu is doing the same. I don't look at the party, I look at the person and ask the question, are they representing the constituency they serve. Judy went from the smiling photo at the beginning with the students to the presentation of the plant at the end without a smile and the sudden departure. Judy has always spoke well of Temple City and has participated in many city events. I want that relationship to continue.
