OCTOBER 4, 2011 TUESDAY 12:00 P.M. VOL. 73 NO. 1

THIS TUESDAY

Councilmember Carl Blum will be our program for the day. He will be giving an update on the Rosemead Beautification Project slated to begin in 2012. There will be a information meeting on the project at Live Oak Park on Thursday, October 6 at 7 p.m.. We are fortunate to have Councilmembers Carl Blum and Vincent Yu dedicated to this important project having had experience working with LA County and grants.

We will also welcome 4 new teachers to the Temple City Unified School District along with Students of the Month from Oak Avenue School.

LAST TUESDAY

What do you call a guy with 800 bottles of Jim Beam and does not drink? A collector!!

Mike Lepore, much to the dismay of Judy is the Graceland of Jim Beam decorative bottles in Temple City. We are talking about 175 gallons of Kentucky whisky, enough to make the Crest and Paradise Isle envious.

If you are looking for a program in the near future, Mike's daughter Debbie is the 5th juror on the Conrad Murray-Michael Jackson trial. Dan Arrighi is proud of his Grandson Nate's 3rd birthday. Shirley Raschke made an interclub all the way from Pensacola, Florida. Her husband Duane was President of TC Kiwanis in 1981. Unfortunately, I have run out of room and will report on the installation at a later date.

STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Pictured with the proud students is teacher Mr. Dan Ferguson who has been at Longden for 13 years.

Jordan is 12 years old and has 4 brothers and sisters. He enjoys basketball, flag football, soccer, drawing, camping, and hiking. Jordan said, "The best things about Longden are the great teachers, my class, and all my friends." The best thing that ever happened was being on the championship team after a huge comeback. Personal goals are to build a homeless shelter, get straight A's, turn in all homework on time, and to become an Eagle Scout. Jordan would also like to find a cure for the illness that his father Jeffrey has been suffering with. Jordan's mother was also in attendance to see him receive his award and also spoke to our club outlining the health issues with her husband.

Will is 10 years old and has a younger brother. He enjoys remote control cars, biking, art, x-box, and skateboarding. Will said, "The best things about Longden are my teachers, P.E., and History." The best thing that ever happened was getting his first BMX bike. Personal goals are to keep animals from becoming extinct, build a big bicycling ramp, get a good job, set a world record, and write a comic.

David is 12 years old and has a younger brother. He enjoys making legos, playing ping pong and baseball. David said, "The best things about Longden are my teachers, the big campus, and the food. The best thing that ever happened was when David came to America 5 months ago. Personal goals are to become faster and smarter, be a pro gamer, and become a minister.

QUOTE OF THE WEEK

"Wisdom doesn't automatically come with old age. Nothing does - except wrinkles. It's true, some wines improve with age. But only if the grapes were good in the first place." - Abigail Van Buren

See you Tuesday, Jerry
