THIS TUESDAY

Coby King from Los Angeles Community College District's sustainable building program will talk about going green. We'll see what color he turns after he eats at the Bahooka.

We will settle the meeting venue debate once and for all with a vote today. You must be present to make your vote count. There will be no provision for absentee ballots.

We will have our first Board Meeting of the new year at the Community Room at 5:30 p.m. We will be approving the budget and plan of work for the year also.

We will begin another year of honoring Students of the Month. Our honorees today are Cloverly and Oak Avenue. Let's make them feel welcome.

LAST TUESDAY

A great time was had by all that attended our 71st Annual Installation at Coco's Banquet Room. Dignitaries included Ernie Ayala, Jan and Ron Robertson. Immediate Past President Chuck Souder said his thank you's by outlining the accomplishments of the club this past year along with paying a fitting tribute to Walter Shatford and Bob Tyler.

Legion of Honor Awards for the evening were presented to Jim Robuck for 25 years, John Chandler and Elmer Black for 40 years. Kiwanians of the year honors to Super Membership Chairman Dan Snell and "Keeper of the Machine" Jim Robuck.

Entertainment was provided by Jennifer Ranger and her hammer dulcimer. Her grandson also accompanied her on the guitar. Jennifer gave the history of the hammer dulcimer which was very interesting going back hundreds of years with roots in Europe and akin to the piano.

Many thanks to trooper Sue Matchett, who was suffering having gone through a root canal at the dentist earlier in the day. Great job Sue!!

Also to Mr. Happy#1 who is always suffering. Thank you for all the hours you spend in making sure that our club is one of the best in the Division.

KEY CLUB YARD SALE

Division 10 North is having their Yard Sale this Saturday, October 3rd. The sale will be at the Key Club's Lt. Governor's home in South Pasadena, 401 Mission St at 8:00 a.m.. If anyone would like to donate anything simply give it to her in the morning. All money is donated to Pediatric Trauma Prevention.

OTHER NEWS

Temple City possibly has an opportunity to build some homes for Habitat For Humanity. Councilmember Cynthia Sternquist brought the idea to the council at the last meeting. It would require TC to buy some land and donate it to Habitat and then the homes would be built with volunteer labor at a cost between 65 and 150,000.

I will be presenting this at the October 8th Division Council Meeting along with a DVD of a recent Habitat project in Glendale. I would propose that this be a Division 10 project with the potential of over 400 volunteers.
