OCTOBER 9, 2012 TUESDAY 12:00 P.M. VOL. 74 NO. 2

THIS TUESDAY

Our newly installed Lt. Governor Bob Lagunas from the Montebello club will make his official visit.

LAST TUESDAY

Vice President Frank Deckon rallied the troops with we should be doing more to promote ourselves. There has been much talk about doing hands-on projects, rather than just writing checks. We need a large project that we could get behind, such as a effort with the city or school district.

President Jerry Backstrom along with Rich Wenzel and Mike Miller attended the installation of Lt. Governor Bob Lagunas. The \$45 a plate dinner was held at Mijares Mexican Restaurant. Cal-Nev-Ha Governor Dick Olmstead installed Bob Lagunas as Gary Jander was unable to attend due to personal business.

Outgoing Lt. Governor Ernie Arnold announced that Temple City Kiwanis was awarded the Service Award for the best community service in Division 10. As expected, Ernie did not have the award but said it would be presented at the DCM meeting.

Mike Lepore returned from one his many cruises. I felt good as he said he missed not being able to get the bulletin on ship. Good to see Sue Matchett at our lunch and Board Meeting. Jerry Backstrom will be going the Glendale Ducks For Kids this weekend. We are sorry to report that we have lost three members who decided not to renew their membership; Ben Ashkinos, Peggy Sue Miller, and Theresa D'Andria.

Well, it finally happened. First there was honey boo-boo, then the Kardashians, now the Food Network will be at the World Famous Bahooka to film "The World's Weirdest Restaurants" on Thursday from 3:00 to 8:30 p.m..

STUDENTS OF THE MONTH

We honored two outstanding students from Oak Avenue Intermediate School. Pictured with the proud students is Oak Avenue teacher Mr. Jason Rose.

Alex is 14 years old and has 3 brothers and sisters. He is in Mr. Roses' class and his interest are playing the violin and physical science. He said, "The best things about Oak are the wonderful teachers, my friends, and the music department." The best thing that ever happened was going to Kenya and Uganda on a church mission trip. Personal goals are to change the way people act, build a church, have a family, attain GPA's higher than 4.0 throughout all his semesters in high school, and to attend a great college such as CalTech or MIT.

Alissa is 13 years old, in Mrs. Strauss' class and has brother and sister. Alissa enjoys playing the piano and swimming. She said, "The best things about Oak are the safe campus and great teachers." The best thing that ever happened was getting a keyboard piano. Personal goals are to have the world be less polluted, create a large charity, get good grades, become less short-tempered, and to get into a good university.

KIWANIS KALANDAR

October 9 - Lt. Governor Bob Lagunas will visit

October 16 - Kiwanian Dave Wallach will talk about the Rose Parade

October 22 - Chamber Installation at San Gabriel Hilton honoring Ron Dorazio

October 23 - A Gem Show by Jeff Hoppe

October 30 - A Frank Deckon surprise

QUOTE OF THE WEEK

"Truth is what stands the test of experience." - Albert Einstein (1879 - 1955)

Editors Note: Albert Einstein arrived on the Caltech campus for the first time in 1931 to polish up his Theory of General Relativity, and he returned to Caltech subsequently as a visiting professor in 1932 and 1933. Caltech is the top university in the world for the second consecutive year. A microbiology professor, Sarkis Mazmanian, was awarded a \$500,000 MacArthur Foundation "genius grant" earlier this week. The similarity between Mazmanian and Jambazian ends with the genius part.

See you Tuesday, Jerry
