OCTOBER 17, 2006 TUESDAY 12:15 P.M. VOL. 69 NO. 42

THIS TUESDAY

Chuck Shaw is the Program Chairman for October and promises a great program that is not watered down. If this sounds like the same thing I said last week, your correct!

LAST WEEK

Jim Robuck sang an appropriate song to celebrate his aches and pains. Some non-attending members felt sorry for us and visited.

Repeat performer, Tony Zampello, Executive Director of the Raymond Basin Management Board gave us the story of how they are extending the boundry from Azusa to Pasadena. It is one of those things we just don't think about, we get up in the morning and turn on the faucet and there it is, clear clear water at a resonable price.

Tony won the E-bike that we had as a fund raiser at the Barbecue. He has 5 sons and says the bike is due for some new batteries.

STUDENTS OF THE MONTH

Emperor teacher Mr. Greg Giangregorio brought 3 great students to be honored.

Gary Hoang enjoys collecting legos and playing video games. The best things about school are the playground, computer lab, and teachers. Goals are to build a mansion, get better grades, go to a good university, and be a surgeon

Sifana Sohail has two younger brothers and enjoys reading books. The best things about school are the teachers, and everyone is friendly. The best thing that ever happened to Sifana was coming to America. Sifana has goals of being a writer, explorer, and to help poor.

Alex Vicario has four brothers and sisters and enjoys dancing sports, singing, and collecting stuffed monkeys. The best things about school are the cool teachers (Mr.G), the fun projects, and P.E. teachers. Alex has goals of getting better at reading, going to USC, and becoming a choreographer.
