OCTOBER 18, 2011 TUESDAY 12:00 P.M. VOL. 73 NO. 3

THIS TUESDAY

Director of Parks & Recreation Cathy Burroughs will speak on Youth and Senior Activities. She began working for the City of Temple City as a Recreation Leader in 1977 while attending Cal State Los Angeles. She continued working part time for the Parks & Recreation Department for five years then accepted a job with the City of Rosemead in their Parks and Recreation Department. Cathy returned to Temple City as the Recreation Supervisor in 1985 and has been here ever since, working her way up to Director of Parks & Recreation. Cathy has also served as interim City Manager at various times.

Her family has lived in Temple City for over 70 years. Her grandparents built their home in Temple City in the 1940s. She grew up in El Sereno but remembers coming to her grandparents home for family events and of course, for the Camellia Festival.

LAST TUESDAY

Temple City Library Manager Susan Schlaeger gave a powerpoint presentation of all the great things at our newly refurbished Library.

Susan has a Masters of Library Science and has worked for the Los Angeles County Library System since 1997. Did you know: Of the 85 Libraries in the County System TC ranks as #10 in use. You can look at auto manuals from 1914. Largest fine at the TC Library was \$300+. Do you have your Library card??

Glendale Kiwanis is sponsoring Ducks 4 Kids at Verdugo Park this Saturday from 10-2. Proceeds help children's projects throughout Los Angeles County. You can win \$10,000. Call Rich for details.

We welcomed Rich Wenzel's brother Holger and his wife Astrid along with Karin Hesse visiting from Germany. Mike Miller finally got sick of the Bahooka and had to visit the ER with his driver Sue Matchett. I am glad to report that Mike is doing better, having inflamed tonsils. His condition has been officially upgraded from Mr. Grumpy to Mr. Happy#1.

The Melodramatic Social Event of the YEAR. No, I am not referring to our next meeting. "Snooty and the Beast" (appropriate for all ages) Presented by "The All American Melodrama". Proposed dates are : October 29th at 4:30 PM or November 5th at 4:30 PM. Tickets are \$20 for adults and \$14 for kids under 12. We are looking for a group rate if possible (20) and kids don't count. The website is www.allamericanmelodrama.com if you wish to see more. Jim needs to know by next Tuesday to know he will have the reservations he needs. 626 285 3073.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Pictured with the proud students is teacher Mr. Greg Giangregorio who always makes teaching fun for his students.

Hailey is 11 years old and in Ms. Parrilles' class. Hailey has an older sister and enjoys playing softball, football, and camping with her family. Hailey said, "The best things about Emperor are learning about the start of world history, science, and playing football during recess." The best thing that ever happened I was moving from Arizona and attending Emperor. Personal goals are to build a machine that would take a patients DNA and prescribe a cure, get straight A's, to get a high score in the science CST, and to play basketball.

Sheri is 11 years old, has an older brother and in Mrs. Scanlans' class. She enjoys playing the piano, ballet, reading and drawing. Sheri said, "The best things about Oak Avenue are the wonderful and fun teachers, exciting activities, parties, and playground equipment." The best thing that ever happened to Sheri was coming to Emperor Elementary School. Personal goals are to build a machine that cures many illnesses and cancer, get straight A's, get better at playing the piano, and read more books.

Elaine is 11 years old, has an older brother and in Mr. Giangregorios' class. She enjoys playing with her dog Yumi, soccer, playing the cello, and tetherball. Elaine said, "The best things about Oak Avenue are the teachers are helpful and nice, the clean campus, the organized teachers and staff." If Elaine could change one thing it would be that Emperor go to the 12th grade. Personal goals are to build a statue of her school and family, get straight A's, do her best with the cello, and work harder at tetherball.
