OCTOBER 19, 2010 TUESDAY 12:00 P.M. VOL. 72 NO. 3

THIS TUESDAY

This always happens at the beginning of our Kiwanis year. Another mystery program. Come find out what awaits us at the incomparable Bahooka.

LAST TUESDAY

We were treated to 3 of Temple City's finest from Temple Station. Deputy Rick Adams is a 22 year veteran, Deputy Rich Soto has 20 years, and Sergeant Jim Corrigan has 28 years. When you add it up that is an incredible 70 years of law enforcement experience. Jim Corrigan has taken the place of Tony Osterman. Both Jim and Rick have roots in Temple City, Jim's parents are Jim and Marie Corrigan. Jim's father is a retired Sheriff. Marie was Camellia Festival director for 27 years and Rick has relatives living in Temple City. Rick and Rich work very closely in the schools making sure that all 5,000 students are educated in a safe environment.

All three are a part of the Special Assignment Team dealing with improving the quality of life that we enjoy in this relative crime free city. Rich encouraged all residents to become involved with Neighborhood Watch. We experience a low level of crime compared to the other cities that Temple Station serves. Thefts and burglaries are up a little because people are careless. At the K-Mart shopping center Deputies give warning "tickets" to people that leave valuables out in the open where enterprising thieves could have opportunity. We are truly fortunate to have long standing relationships with such fine and dedicated public servants.

Pres. Jim Robuck created a crossword puzzle with the letters from USC and UCLA. He had to help the fans of both Universities fill it in. Since half the team was on suspension, no money was raised. Kevin Lian was a Guest of the Club. We will be helping for the Halloween Festival at Live Oak Park. We need 6-7 people starting at 6:00 p.m. on Sunday, October 30th.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Pictured with the proud students is 6th grade teacher Mr. Greg Giangregorio.

Benjamin is 10 years old and in Mr. Giangregorio's class. Benjamin has a younger sister and enjoys playing Yu-Gi-Oh. Benjamin said, "The best things about Emperor are my teacher Mr. G, playing football and the computer lab." The best thing that ever happened was being born. Personal goals are to build a hotel, get good at Yu-Gi-Oh, and to learn to skateboard.

Janine is 11 years old and in Mrs. Scanlan's class. Janine has an older sister, enjoys reading and writing. Janine said, "The best things about Emperor are the kind and loving Principal, caring teachers, and good friends." The best thing that ever happened was being able to travel to different places with her family. Personal goals are to have world peace build a recycling plant to support the earth, write a novel, get straight A's, and to be successful in her school work.

Amanda is 11 years old and is in Miss Parrille's class. Amanda has a younger brother enjoys reading and drawing. Amanda said, "The best things about Emperor are my friends, the teachers, and the fun activities at school." The best thing that happened was going to China and getting hugs from relatives she had not seen in a long time. Personal goals are to stop cutting down trees, build a hospital where people can get help, read 50 or more books that have at least 100 pages, eat healthier and get fit, and to be the best she can be.
