## LAST TUESDAY

New Lt. Governor Jan Robertson and Ron made their official visit to our club. Jan is a 21-year member of the Kiwanis Club of Rosemead. She joined Kiwanis when she was the director of the Public Relations and Fund Raising for the now defunct American Red Cross West San Gabriel Valley Chapter.

Jan taught Non Profit Organizations Management and also Child Development in the early 1990's at Cal State L.A. She remained a Kiwanian because she loved her club. Now retired, she is a grandma and a new wife of over a year.

The honors just keep coming. We are the Division Club of the Month. We are also the Distinguished Club in the Division with 90 points. Our closest rival had 60 points. We Rock!! The only icing would be Distinguished Club President for Chuck Souder.

You have heard of the three tenors, how about the three Tyre's? Tony joined his dad Steve along with Norm. Tony Straub was the secret handshake. Jim "Mr. Kooza" Robuck has 26 people lined up to visit the Santa Monica pier on October 27th. Prospective member Ron Dorazio made his 3rd visit. At a special Board Meeting it was voted to support the new "No Cussing Club" at Longden in the amount of \$350.00. Also we are supporting TCHS with a \$1,000.00 for t-shirts to promote high test scores.

Listen up Mike Lepore. Chuck Souder has already had 2 interclubs, the best part is he did not even know it. Super membership team reports that we will have a Member Guest day in March. Be thinking of the 2 people you would want to invite. Peggy Miller paid for a new Cadillac.

Jim Robuck needs volunteers for 2-hour shifts at our food booth for the Harvest Hoedown at Temple City Park from 10 a.m. to 4:00 p.m.. Please call Jim if you can help

## STUDENTS OF THE MONTH

We honored three great students from Emperor. 6th grade teacher Mary Ann Parrille accompanied the polite and well-mannered students.

Wynne is 10 years old and in Mr. Giangregorio's class. Wynne has two sisters and enjoys drawing. Wynne said, "The best things about Emperor are the awesome teachers I have, the fun activities, and the crazy experiments". If she could change one thing it would be to have more homework. Personal goals are to travel in space, go to college, be successful, and to make everyone happy.

Isabell is 11 years old, enjoys swimming and drawing, and is in Mrs. Scanlan's class. Isabell said, "The best things about Emperor are learning math for everyday use, making new friends, and learning to be respectful." The best thing that happened was going on the Washington D.C. trip in the 5th grade. Personal goals are to make the air cleaner in the world, achieve a higher AR score, get better at math, and becoming an excellent student.

Lok Yiu is 11 years old and in Miss Parrille's class. Lok Yiu has a younger sister and enjoys swimming, ice-skating, bowling, reading, and computers. Lok Yiu said, "The best things about Emperor are the kind staff and teachers that understand us, the excellent field trips, and the very high CST scores." Lok Yiu also said, "The best thing that happened was being born into such a great family, we love spending time together and having fun." Personal goals are to build a hot air balloon, attend a good college, get good grades and study harder, and immigrate to and work in Hong Kong when she grows up.
