TEMPLE CITY CALIFORNIA  
Chartered August 8, 1939

**OCTOBER 21, 2008 TUESDAY 12:15 P.M. VOL. 70 NO. 3**

## THIS TUESDAY

Don's go to Sir George's unless you like dining by yourself. We go to the Bahooka Restaurant (corner of Lower Azusa and Rosemead Blvd) for our meetings until further notice.

After looking at my 401k which is now a 201k, the program for today might come in handy. Laura Lawrence will speak on knitting for a living.

## LAST TUESDAY

Finally, now I know the difference between a Lions Club meeting and Kiwanis is the colorful language.

Roy Fisher is the Lions guru on clubs that are faltering in membership. Roy has been a member of Lion's for 18 years and told us of the 1950's and 60's when you could only be a member if you were the principal of the business. They changed from "Business Groups" to "Service Clubs", they were then allowed to take in employees of the companies.

The best thing that he left with us was "Are you INVOLVED with your club, or are you COMMITTED".

## OTHER HAPPENINGS

A thank you letter was read to the club from Lynne Burkhardt thanking us for making her an Honorary Member. President Chuck was busy recruiting help to get all our belongings out of Sir George's. The Chamber Mixer will be at the TCUSD office on Monday at 5:30 p.m.. Chuck Shaw won some golf trophy in Kernville, but it was nothing to be proud of. John Chandler is heading up Sock-o-Rama on behalf of our club. At the October 22 Regular Board Meeting, Jerry Jambazian will receive the District's Public School Award, the highest award given by TCUSD. The meeting begins at 7 p.m.; Jerry will receive his during the first few minutes of the meeting.

## STUDENTS OF THE MONTH

We were pleased to have Mr. Greg Giangregorio, teacher at Emperor School bring 3 outstanding students.

**Jessie Shi** is 11 years old and in Ms. Taylor's class. She enjoys swimming, fashion, and reading. The best things about Emperor are the great teachers, nice environment, and awesome Principal. Goals are to get straight A's, more sleep, and to improve in science.

**Janabelle Peng** is 11 years old and in Mr. 'G's' class. She enjoys acting, dancing, and reading. The best things about Emperor are the wonderful teachers, school clubs, and field trips. Personal goals are get good grades and become a great actress. Janabelle's two sisters were also chosen Students of the Month.

**Anthony Lopez** is 11 years old and in Mrs. Scanlans' class. Anthony enjoys building car models because you really have to focus and pay attention. Anthony said, "Emperor prepares us for life, how to be successful, and it gives you privileges." Personal goals are to get good grades, less chores at home, and no summer school.

## QUOTE OF THE WEEK

"Normal is getting dressed in clothes that you buy for work and driving through traffic in a car that you are still paying for - in order to get to the job you need to pay for the clothes and the car, and the house you leave vacant all day so you can afford to live in it."
