OCTOBER 21, 2014 TUESDAY 12:00 P.M. VOL. 76 NO. 3

THIS TUESDAY

Tony Euredjian will provide the program for the day. I hope he is in a good mood as I have a dental appointment with him at 2 p.m..

LAST TUESDAY

Scout Pack 156 Scout Master Greg Dwight spoke to us about scouting in Temple City. Scouting has been on the decline nationally at the rate of 7% per year. Temple City bucks the trend with increases each year. They have 73 kids in the Pack. The reason they succeed is they have one outing a month, a Pack meeting once a month, and many activities to engage the kids.

Did you know that our Temple City Kiwanis Club has been supporting Pack 156 for 74 of our 75 years? Besides supporting them financially we also help at functions such as their Pinewood Derby.

STUDENTS OF THE MONTH

We welcomed and honored three outstanding students from Emperor Elementary School. Accompanying the students was long-time Emperor teacher Mr. Greg Giangregorio.

Bernice is 11 years old and in Mr. Giangregorio's class. She has an older sister and enjoys swimming, piano, viola, writing, and sports. Bernice said, "The best things about Emperor are the teachers and staff are the best, the education we receive is very advanced, and it's one of the cleanest schools I have ever seen." If she could change one thing it would be to have every child receive the proper education. Personal goals are to build a nursing home, compose an advanced piece of music, write a short novel that will change lives, and go to a good college.

Tania is 11 years old and in Mrs. Scanlan's class. She has two sisters and enjoys reading, tennis, ice skating, drawing, and playing the harp. Tania said, "The best things about Emperor are the nice and funny teachers, there isn't much homework, and having the best friends in the world." The best thing that ever happened was going on the Heritage and Catalina trips. If she could change one thing it would be not having history in school. Personal goals are to build a chocolate and ice cream world, improve in history, help her family more, and become a better harpist.

Nathan is 11 years old and in Miss Parrille's class. He has an older brother and enjoys soccer, hiking, swimming, and fishing. Nathan said, "The best things about Emperor are the periods that help prepare us for High School, the P.E. classes, and soccer nets." The best thing that ever happened was getting 600 points out of 600 on his CST Science Test. Personal goals are to change the way people waste water, stop global warming, strengthen his soccer skills, draw better, and become an engineer or a professional soccer player.

NEWS and OPPORTUNITIES

We received numerous Thank You's from the new teachers we hosted on September 23. I think the teachers appreciated our hospitality and Staples gift cards. Elmer Black is now in a Assisted Living Facility. The Gables Community, 201 E Foothill Blvd #213, Monrovia, CA 91016, Cell 626-840-9215.

Our Club will receive recognition at the School Board meeting on Wednesday, October 22 at 7 p.m.. We will be honored for our 75th Anniversary of community service to Temple City and the District.

If you can not get enough pancakes Kiwanis Rose Float Club is having a Flapjack Fundraiser put on by the Alhambra Club. It will be Saturday, November 22 at the Alhambra Applebee's, 21 E Main St from 8 to 10 a.m.. The Kiwanis Float in the Rose Parade is always underfunded and they need help making sure that millions of people see Kiwanis on January 1, 2015. Cost is \$10 and President Matt Smith has tickets. If you can not go you may purchase a ticket for a Key Clubber. Former Lt. Governor Bob Lagunas is heading this event and would appreciate our help.

A Celebration of Life for Mike Miller is being planned for Sunday afternoon, November 2 from 1-4 at the Historical Society. Mike's brothers Ty and Scott are hosting the event with the help of Sue Matchett. You will be receiving your official invitation soon. Mark your calendar now.
