## THIS TUESDAY

Jerry Backstrom will NOT be talking about the grease at the Bahooka. He will instead talk about the country of Greece.

## LAST TUESDAY

Well it finally happened. I lost all my notes regarding what happened at the meeting. We were greeted by 5 energetic Key Club members who seemed to have way to much fun in the fining department.

Super Membership Chairman Dan Snell and his committee are making plans for the 2nd Annual Membership Roundup. He has brought in the super salesman and honorary Kiwanis member Uncle Jimmy Weldon from yacky doodle and webster webfoot fame. Dan has taken Jimmy's motto to heart, "Go Get 'um Tiger".

Meals of Love Richard Wenzel reports that the topic is chicken for November 3rd. Main dish for Rich Wenzel and Mike Miller, Salad for Steve Montesanti and Chuck Shaw, Dessert for Sue Matchett and Doug Sears, Bread for Dan Snell, and Drinks for Chuck Souder.

Our hearts go out to Tony Euredjian at the loss of his dear mother. She had been confined to a convalescent hospital after contracting the C-DIFF virus at a local hospital.

Bill Hohl had brain surgery last Tuesday to remove water that accumulated and has been affecting his balance for the last two years. Mike Lepore reports that he is doing very well. Mike knows that Bill was OK when he started complaining about everything. Chuck Souder is still in the healing process with time spent in his time-share and home. Get well soon Chuck!!

New member Henry Walpus has stepped up to the plate by taking over the Sock-O-Rama drive for socks and underwear. Henry even brought his own props with a huge boot to hold the booty.

## STUDENTS OF THE MONTH

We honored an outstanding student from the Dr. Doug Sears Learning Center. Pictured with the proud student is Principal Sephen Edo and CLC teacher Mr. Andrew Jahan.

Alexia is 16 years old and in Mr. Jahan, Mr. Patterson, Mrs. Roberts, and Mr. Rios' class. Alexia has two younger sisters which she helps take care of and enjoys sports and art. Alexia said, "The best things about The Learning Center are my teachers, my friends, and being able to get a great education." The best thing that ever happened was when her sisters were born. Personal goals are to design and build a car, become a pre-school teacher and own the school, be a good role model for her sisters, and to graduate early.

Alexia was very gracious as she thanked our club for honoring her as Student of the Month.

## QUOTE OF THE WEEK
