OCTOBER 27, 2015 TUESDAY 12:00 P.M. VOL. 77 NO. 4

THIS TUESDAY

Tony Euredjian will inform us of all the new things in dentistry.

LAST TUESDAY

Our own member Dan Arrighi is one busy guy right now as Watermaster and Manager for San Gabriel Valley Water Company. He took us through pages of charts and graphs and the news is not good. In case you have been under a rock we are in a drought. We had 16 pages of information and the news was not good.

Forecasters have predicted that the godzilla El Niño will arrive in late fall or early winter and may be one of the biggest events to hit the region in modern times.

My assistant photographer, Terry Lin who is also a TC CERT member will be filling sand bags this Saturday morning at the city yard in anticipation of El Niño. Please use your water wisely and conserve at every opportunity.

Lisa Montesanti came to make sure Steve did a good job. Steve sent "I'm workin' on it" Mike Lepore to the DCM meeting but forgot to tell him the meeting was cancelled. Now Mike wants to sell him some income property in Nigeria. Sue Matchett is celebrating after winning \$162 by picking the winning card.

Speaking of Steve, he will be having prostate surgery this Friday morning at Huntington Hospital. We all wish him the best as he recovers.

Richard Wenzel has another Ronald McDonald Meals of Love scheduled for November 4. The appropriate November theme is turkey with the Main Dish by Rich Wenzel and Matt Smith, Salad by Dave Seltman and Dan Snell, Bread by Bob Rodenbucher, Drinks by Sue Matchett, and Dessert by John Gera and Ron Dorazio. Words cannot express how faithful these angels of mercy are each month.

Our regular meeting room at Denny's on November 3rd will be used as an election polling place. Steve M. has secured a private room at the Zen Buffet at Rosemead and Broadway. Same time but different venue.

STUDENTS OF THE MONTH

We welcomed an outstanding student from the Dr. Doug Sears Learning Center. Accompanying the happy student was her teacher Mr. Reggie Rios and CLC Secretary Mrs. Pam Annas.

Mariah is 17 years old and in Mr. Rios' class. She has three older brothers and sisters. Mariah enjoys drawing, music, and sports. She said, "The best things about the Learning Center are the teachers, the classes I take, and the activities." The best thing that ever happened was moving in with her brother, Alex. If she could change one thing it would be to have her mother still be with her. If she could build one thing it would be communities with less violent crime. Personal goals are to attend college, go into the Air Force, and have a happy life.

QUOTE OF THE WEEK

Three simple rules in life:

1. If you do not GO after what you want, you'll never have it.
2. If you do not ASK. the the answer will always be NO.
3. If you do not step forward, you'll always be in the same place.

See you Tuesday, Jerry
