OCTOBER 29, 2013 TUESDAY 12:00 P.M. VOL. 75 NO. 5

THIS TUESDAY

Don't go to Denny's for the next two weeks unless you really miss their food. This Tuesday we will meet at the School District office (across from City Hall). We will be hosting new teachers in the district including Students of the Month from Cloverly and Oak.

LAST TUESDAY

Dr. Tony Euredjian was our guest speaker last Tuesday. Tony has been a Kiwanis member since 1987 having taken over the practice from former member Bob Ewing.

Tony has gone to all the good schools. San Diego State, San Francisco, finishing up at USC. From personal experience I can tell you if you are looking for a fast dentist don't go to Tony. If you are looking for the best dentist then you have found him.

Tony shared his personal relationship with the God of the universe. He spoke of working with street and gang members and the importance of believing in something other than themselves. The common ground for these young men was sports and that is where Tony could share with them. Until they met Tony they were interested in one thing...themselves.

Our time on this earth is short compared to an eternity with the maker of this earth.

Chuck Shaw, Mike Miller, and Rich Wenzel paid \$\$ for various local college teams playing like high school. Dave Seltman is celebrating three scary events on October 31. He celebrates his birthday on Halloween. If that is not enough, it is his wedding anniversary also. It's a good thing he owns a restaurant and is not an event planner.

Rich Wenzel's is offering the following schedule for November 6 Meals of Love for Ronald McDonald House The theme is chicken with the main dish by Steve Montesanti and Rich Wenzel; Salad by Chuck Shaw and Sue Matchett; Bread by John Gera; Drinks by Dave Seltman; Dessert by Bob Rodenbucher and Mike Miller.

We will not meet at Denny's on November 5. We will be taking a tour of our local Sheriff Station. Our group is limited to 10. We already have 9 signed up. We have room for one more. If you want to go let me know now. Congratulations to Steve Tyre for being selected as the chairman of the School Bond Oversight Committee for disbursement of the 127 million bond to improve school sites. He was chosen for his knowledge of construction and I would assume finances.

STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Accompanying the students was new Longden Principal Adin Rudd and singer, songwriter, musician, teacher Mr. Dan Ferguson.

Jonathan is 11 years old and has two sisters.

He enjoys playing sports, reading, and video games. Jonathan said, "The best things about Longden are the great teachers, the education we receive, and all the respectful people." The best thing that ever happened was getting good grades on his test and report cards. Personal goals are to make everyone happy, build a house for the poor, be smart, get good at sports, and have a good life.

Linya is 11 years old and has two sisters. She

enjoys drawing, swimming, badminton, and reading. Linya said, "The best things about Longden are the nice teachers, everyone works hard, and the fun school activities." The best thing that ever happened was when her baby sister was born. Personal goals are to build houses for the homeless, build a park for animals with beautiful plants, get good grades, get better at cooking, and help her sister to become smart.

Katherine is 11 years old and has a younger brother. She enjoys swimming, reading, electronics, and playing with her friends. Katherine said, "The best things about Longden are her friends, the school library, her classmates and Mr. Ferguson." The best thing that ever happened was when her baby brother Kyle was born. Personal goals are to stop pollution, invent contact lenses that never hurt your eyes, attend USC, get all A's, and get over her fear of playing sports.

KIWANIS KALANDAR
