OCTOBER 30, 2012 TUESDAY 12:00 P.M. VOL. 74 NO. 5

THIS TUESDAY

David Palmer, Pastor of First United Methodist Church in Temple City for 101 years. He looks remarkably well for 101.

LAST TUESDAY

Jeff Hoppe has had a varied career with Kal Kan Foods, Pioneer Chicken, and 26 years as a Biology and Geology teacher. He brought many samples, many of them millions of years old including petrified wood. Did you know that the talc you use comes from rocks? All rocks belong to one of the three main groups making up the earth's crust: igneous, sedimentary, and metamorphic.

Our club will again be helping at the City Halloween Carnival on Wednesday, October 31 from 6 to 8:30 at Live Oak Park. We would like to have 6-8 members participate in this scary event.

The largest service club in the world, The Rose Float club is having a drawing on December 1. The winner will get all kinds of good things including parade seating and Rose Bowl game. Volunteers are also needed on Wednesday December 26 to help serve the evening meal for float decorators.

Our club Christmas Party will be at the Old Spaghetti Factory on Tuesday, December 18. See the Italian duo of Steve Montesanti and Ron Dorazio for more details. Congratulations to Ron Dorazio for the Community Service Award and to Matt Smith for the Outstanding Chamber Service Award presented at the 88th Annual Chamber Installation Banquet.

Henry Walpus is once again asking you to fill his custom made sock. Temple City Parks & Rec is sponsoring Sock-O-Rama & More. They need new packaged toothbrushes and toothpaste, new men's white socks and t-shirts, new socks for women and children. Please be sure to give your donations by October 10. This is something that our club has done very well with over 60 units received to date.

Also Santa's Claws & Paws. This Holiday Donation Drive is geared to helping the "littlest" residents of the San Gabriel Valley Humane Society. Items needed include canned and dry cat and dog food, non-clumping cat litter, pet toys for puppies and kittens, towels and bedsheets. The donation deadline for these items is December 10. Collection boxes are at City Hall and Live Oak.

Guests of the Club included Walter Chu, owner of Chubiz bookkeeping and payroll service.

STUDENTS OF THE MONTH

We honored two outstanding students from Longden Elementary School. Pictured with the proud students is their teacher Mr. Dan Ferguson who has been at Longden for fifteen years.

Zachary is 11 years old, has an older brother and sister and enjoys baseball and drag racing. Zachary said, "The best things about Longden are math classes, recess, lunch, and P.E." The best thing that ever happened was going to Texas, riding a motorcycle, and Sunday dinners. Personal goals are to have world peace, more jobs, build a community hospital, get good grades, work hard, and get serious about school.

Jefferson is 11 years old and enjoys drawing, reading, and playing video games. Jefferson said, "The best things about Longden are the great teachers, good education, and I don't get to much pressure." The best thing that ever happened coming to the USA from Taiwan. Personal goals are to change the fault line in California to the middle of the ocean, build a giant tower, go to a good college, and become a marketing manager or CEO for an entertainment company.
