THIS TUESDAY

Well, it didn't take long before we have the dreaded...

"Mystery Program"

Wait just a Kiwanis minute...late breaking news. Jerry has asked Karen Flaherty (prospective member) to speak to us on "Bariatric Surgery". Karen had the surgery a few years ago and has lost a whopping 140 pounds. Come hear her amazing story.

LAST WEEK

Dr. Dan Diep of Valley Health and Wellness came prepared with all kinds of charts and graphs, but unfortunately forgot his wristwatch at home. Dr. Dan gave us tips on how we can improve our general health and skeletal makeup. The four essentials of health are oxygen, water, food, and nerve impulse. Some of us possibly have too many essentials. Good spinal maintenance requires water, movement, ergonomics, and adjustments. The last one is where Dr. Dan comes into the picture.

OTHER HAPPENINGS

Walter (please come back) Shatford is doing a little better each day. John Chandler just returned from Florida. He should be real happy we only have earthquakes. We will be judging "Say No to Drugs" posters at the Chamber office Wednesday, November 2nd at 10 a.m.. The volunteers are Mike Lepore, Dan Snell, and Art Luna. Washington Mutual has officially been declared a workplace hazard as Ben Ashkinos and Sydney Tyler broke their ankles. They are still waiting for FEMA to arrive. The new Division 10 Directory is being worked on, it should be ready on or about September 30, 2006. Get your business card size ad to Chuck Shaw.

STUDENTS OF THE MONTH

Longden teacher, Ms. Samantha Jennings brought 3 great students.

Angela Wang enjoys swimming dancing, singing, and drawing. The best things about Longden are its big, clean, and nice. Angela's goals are to speak English very well, swim and dance a little better, and go to a good college and make a lot of money.

Kelsey Sih enjoys TV, playing outside, sleeping, and listening to her i-Pod. Kelsey thinks the best things about Longden are the nice people and teachers, the clean campus, and everyone welcomes you..

Thomas Anderson enjoys playing baseball and drawing. Best things about Longden are the good staff members, the really cool field trips, and it's really big. Thomas has goals of getting straight A's this whole year, to be on a Major League Baseball Team, and to go to USC. Thomas also had his mother, Mercedes Anderson, and his Grandmother, Leticia Peregrina witness receiving his awards and honors.

BOB "COTTON CANDY" TYLER

Well, we did our part to insure the health and well being of party goers at the park. Bob said we served up 144 Corn Dogs, 72 Candy Apples, and 258 Cotton Candy. Thank you Bob for all your hard work in making sure we fulfilled all 4 food groups.

A NEW FEATURE, ART'S HOUSEHOLD TIPS

With the weather now changing to colder temperatures and fuel costs going up, here are some tips to remember. Close window coverings at night. Let in sun light during the day. Turn down your furnace to 62 degrees. Check or install new caulking and weather stripping. This should cut down on drafts. Only heat the rooms you are using. Use an electric blanket at night. Dress in layers (T-shirt, sweater, etc.)

Of course you don't have a home to do all these things...go see Art Luna.

See you Tuesday, Jerry
