THIS TUESDAY

Nancy Pearlman, Member of the Board of Trustees, Los Angeles Community College District will talk about the construction programs now underway at the Los Angeles Community Colleges.

We will also honor outstanding students from Cloverly and Oak.

LAST TUESDAY

I knew we were in trouble when Jim Robuck was sitting at the head table all by himself. Jim told a story of having two flat tires on his trip to Pismo Beach, that somehow goes along with his 2 flat tires for programs for the month of October. After all that, things could go south...but they didn't. Jim led 26 people to Kooza on the pier in Santa Monica on a windy night in a tent. They all had a great time.

We were visited by 4 Key Clubbers. President Stella Yuan, Vice-President Regina Luk, Secretary Kristi Hsiao, and Treasurer Angela Li. (I wonder if she misplaces the checkbook like our Treasurer?)

Our Key Club gives the following report: "In the month of September, we attended our Division 10 North Car Wash and ice skating fundraiser to help raise money for Pediatric Trauma Prevention for Fall Rally this year. In the middle of September we began our weekly, lunch meetings at school. Then on September 19 we had a wheelchair walk with the whole division.

On October 3, there was a Divisional Yard Sale to raise money for Pediatric Trauma Prevention. Our Lieutenant Governor, Chloe Hsia, and Temple City High School Key Club wanted to thank everyone that donated objects or bought items which helped the yard sale become a great success. October 11, we helped set up for a benefit dinner called Savor the Season, which benefits the Break the Cycle organization which works to prevent teen dating violence. We attended Regional Training Conference and some of our members volunteered at the Harvest Hoedown on October 17 and about 30 of our members and officers walked and raised money at the Aids Walk on October 18. On October 20, we had a Key Club 101 meeting to teach the members all about Key Club, the levels, Key Club cheers, ICON, DCON, Fall Rally, C.A.R.E., etc. Last Saturday we hosted a movie night with Temple City High School Environmental Club. We watched Wall-E and this was another fundraiser to raise money for Pediatric Trauma Prevention.

Coming up in November, we will be going to Fall Rally and helping at Thanksgiving-dinner-in-the-park to feed the homeless as a division on Thanksgiving Day."

OTHER HAPPENINGS

Chuck Souder request your presence at the big Halloween Party at Live Oak Park this Saturday at 5:30 p.m.. Scary costumes are not required. We passed around 3 well written and decorative thank you notes to our members from Emperor Elementary School.

THE WHO'S WHO OF THE WEST TABLE BY JERRY

Have you ever wondered what quality people sit at the west table of the Bahooka?. We have 2 water company executives, 2 former councilmembers and 2 former Mayors, a former School Board member and a sitting School Board member. Two members who are on the Parks & Rec. Commission. Two members who restore old cars. An 88 year-old super membership chairman who puts some of our 60 year olds to shame. A decorated Marine who volunteers as Santa. A retired teacher who along with his wife have 60 years teaching experience. Someone who teaches rocket science. A PhD who had a school named after him. An Eagle Scoutmaster who volunteers his time by mentoring young boys. An attorney by day and AKA the Kiwanis Answer Man. A former grocer turned real estate professional. I think you will agree we have the best of Temple City in Rosemead on Tuesdays.

STUDENTS OF THE MONTH

We honored three great students from Longden Elementary School. Their 6th grade teacher Mr. Dan Ferguson accompanied the students.

Christian is 11 years old and has two younger brothers. Christian said, "The best things about Longden are my friends, the field trips, and library." The best thing that ever happened was being chosen a Student of the Month. Personal goals are to play football for the Temple City Rams at high school, let kids drive cars, get good grades, win football games, and read more books.

Christina is 11 years old, has an older sister, and enjoys playing handball. Christina said, "The best things about Longden are the wonderful and well-maintained library, the great teachers, and all the staff and students are kind and friendly." Personal goals are to become a doctor, build a resort like Disney, get better at school, graduate from elementary school, and pursue her dreams.

John is 11 years old and has an older brother and sister. John enjoys football, baseball, and basketball. John said, "The best things about Longden are the great teachers and good staff." The best thing that happened was the day he got his Playstation 3. Personal goals are to build a full solar-powered car, have no more nuclear weapons, become rich and famous, and get into a good college.
