NOVEMBER 5, 2013 TUESDAY 12:00 P.M. VOL. 75 NO. 6

THIS TUESDAY

No meeting at Denny's on Tuesday. Nine members will be taking a tour of Temple Sheriff's Station at noon. Those attending will be Elmer Black, Rich Wenzel, Jim Robuck, Mike Lepore, Steve Tyre, Jerry Jambazian, Rob and Carole Rodenbucker, and Bill Hohl.

We will have a Board Meeting at the School District office at 5:30 p.m.

LAST TUESDAY

Dr. Chelsea Kang-Smith and Matt Smith with help from Lynne Burkardt were the perfect host for our meeting at the District Office. Dave Seltman and Chef's provided the great lunch that was enjoyed by our members, Students of the Month, and the new teachers to our District.

The one thing that was echoed by the new teachers was that they were grateful to be hired by Temple City. With many districts laying off teachers TCUSD has been hiring. What luck to work in the best District in the United States.

Superintendent Chelsea displayed a chart with the impressive API scores. She also introduced each new teacher with a brief introduction. Thank you to President Sue Matchett for putting together a welcome bag for each new teacher.

LATE BREAKING

Mike Miller suffered a fall at Chuck Shaw's home and cut his leg. He required twenty stitches and hopes to be home from the Miller Wing at Arcadia Methodist Hospital. Get well soon Mike.

STUDENTS OF THE MONTH

We honored two outstanding students each from Cloverly Elementary and Oak Avenue Intermediate Schools. Accompanying the students from Cloverly were Pat Wenzel and Principal Stephen Martin Edo. From Oak were Emma Zamora and Marlisse Reina.

Tiffany is 11 years old and in Mrs. Wenzel's class. She has an older brother and sister enjoys cooking and science because she likes to do activities with her hands to see what it is really like to be a chef or scientist. Tiffany said, "The best things about Cloverly are her sixth grade teachers, the fun activities and trips, and school that helps me prepare for the future." The best thing that ever happened was becoming friends with Leeann, Katie, Ashley, Jevana, Shirley, and Kelly. Personal goals are to go back in time to fix her mistakes, build a spaceship, make the right choices, get good grades, and prove the impossible.

Leeann is 11 years old and in Mrs. Tenney's class. She has an older brother and sister enjoys dancing, singing, drawing, and hiking. Leeann said, "The best things about Cloverly are the amazing events, the staff and students are very kind, and the awesome PTA who fund all our events." The best thing that ever happened was being elected Vice President. Personal goals are to stop animal abuse, build an enormous house for homeless people, have good grades, make new friends, and go to Stanford or Caltech.

Madison is 13 years old and in Mrs. Jessica Goold's class. She has four brothers and enjoys anything musical. Madison said, "The best things about Oak Avenue are my teachers, the people in my school, and the programs." The best thing that ever happened was starting to play soccer because it involves running and hard work. Personal goals are to build a soccer stadium, attend a music college, become a professional singer, and achieve her goals.

Taylor is 13 years old and in Mrs. Jessica Goold's class. He has four sisters and enjoys reading, computer programming, and playing strategic board games. Taylor said, "The best things about Oak Avenue is there is very little bullying, and if there is any it is dealt with quickly." The best thing that ever happened was earning a 4.0 GPA in the 6th grade. Personal goals are to provide internet to the world, construct a video arcade with a mixture of classic and modern gaming, repeat his 4.0 GPA, learn Java programming, and to attend Stanford University.
