PROGRAM

Temple City Unified School District Superintendent Dr. Joan Hillard will give us an update on Temple City's Distinguished Schools. We are on Member Watch as we might also have a visit from Janice Murasko.

LAST WEEK

President John Gera gave his platform for the next 11 months. He asked for our help, taking seriously his theme of "Together We Can."

John asked for our help in getting program speakers, many of us can talk about our own hobbies, or suggest speakers from our own web of influence. John also came up with a novel idea for a member to win an all expense paid holiday to the Hawaiian Islands next June.

Norm Tyre's son, John, has been requested by a judge to defend the biggest mass serial killer yet. When it comes to Death and Taxes, Norm's son's take care of you from the womb to the tomb. Good Job Norm!

Mike Miller reported that chaperones are needed to escort the Builder's Club to Magic Mountain on Saturday, November 13th. Please call Mike if you can help with this project.

Below are some of President John Gera's talking points:

We can build this club to a membership of 50, or greater - if we do it together.

We can increase weekly attendance - if we do it together.

We can increase Club visibility in the community - if we do it together.

We can increase participation in projects - if we do it together.

We can create new projects for the youth in the community-if we do it together.

We can create new projects for the elderly in the community - if we do it together.

We can create new community projects - if we do it together.

Bottom line - this club can do anything it wants - if it is done together.

To meet the goals for this Kiwanis year I am asking each member to strive to do the following:

1. Present one new candidate for membership in the Club. (Only one)
2. Provide information to the program chairman for at least one (Two would be better.) program speakers.
3. Suggest at least one new service project.
4. Suggest one new fund raiser
5. Participate in at least one more project than you did last year.

THANKS AGAIN TO JERRY JAMBAZIAN

Once again Jerry J. came to the rescue as Yr. Ed. completed his annual physical which took like forever.

JOKE'S ON YR. ED

And that's all he will say about der Election, except to lick his wounds and remember Will Durst's old adage:

"Voters want a fraud they can believe in."

SEE YOU TUESDAY,
