NOVEMBER 9, 2010 TUESDAY 12:00 P.M. VOL. 72 NO. 6

THIS TUESDAY

Once a teacher, always a teacher. Sue Matchett will tell us all we wanted to know about the Bill of Rights.

LAST TUESDAY

Vice President Richard Wenzel wanted to know once and for all who are all the committee members. There were some anticipated surprises. We are in the process of re-creating the reporting form to be used by the 5 major committees. Committee chairman and members need to meet on a regular basis and turn in their monthly report prior to our monthly Board Meeting. I am sure that Sue Matchett and Mike Miller would appreciate the help this will give them in reporting activities, money spent, and persons benefited.

Bill Hohl continues his rehab and is making progress. Chuck Souder is still in his Kaiser Permanente time share. Doctors are checking out his liver to see why he is feeling crummy.

New member Henry Walpus has stepped up to the plate by taking over the Sock-O-Rama drive for socks and underwear. Henry even brought his own props with a huge boot to hold the booty. Our goal is to provide 100 pair of NEW socks and underwear.

People for People Pancake Breakfast and Boutique on November 6th at the Rosemead Community Center 8:00 to 11:00 a.m.

Steve Montesanti is planning a Interclub with our Key Club on Thursday, 12:30 p.m. in room 411. Builders Club at Oak is 100+ strong. Our Key Club raised over \$1,500 for Pediatric Trauma Care with their band night. We Build!!

Super new member Jerry Backstrom is heading up our participation with Habitat for Humanity's Brush with Kindness. We will be helping at 9087 Longden Ave next Wednesday. Picture on the right is Jerry helping at the 1st of 5 homes that the City and Habitat are working on.

STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School and two students from Oak Avenue Intermediate School. Cloverly teacher Ms. Lynn Tenney and Oak teacher Ms. Jessica Goidl accompanied their students.

Davin is 11 years old and in Ms. Tenney's class. Davin has a younger sister and enjoys playing basketball, Nintendo, Wii, DS, and computers. Davin said, "The best things about Cloverly are my teacher Ms. Tenney, my friends, and the classrooms." The best thing that ever happened was getting his new game called Mario and Luigi Bowser's Inside Story. Personal goals are to have more money to buy games, build a place for people to play games and take them home for free, to be successful, go to college, and to get his Wii.

Kristen is 11 years old and in Mrs. Wenzel's class. Kristen has a younger sister and enjoys country music and poking things with a stick. Kristen said, "The best things about Cloverly are the Spirit Rally's, assemblies, and recess." The best thing that ever happened was accepting Jesus Christ as her Savior. Personal goals are to change the laws, build a time machine, get better grades, to become nicer, and to be healthy.

Calvin is 13 years old and expecting a sister to be born soon. Calvin enjoys playing baseball, coin collecting, camping, video games, and dodge ball. Calvin said, "The best things about Oak Avenue are the staff, my friends and kids, and fun activities." The best thing that ever happened was being elected ASB President for 2010-2011. Personal goals are to stop poverty in the world, build a big shelter for the homeless, go to a Ivy League College, make new friends, and become better at baseball, basketball, and the cello.

Carolyn is 13 years old and has 5 brothers and sisters. Carolyn enjoys singing and dancing, and playing her French horn at school and The Pasadena Youth Symphony Orchestra. Carolyn said, "The best things about Oak Avenue are the academics, the feeling of everybody being welcomed as they are, and the staff." The best thing that ever happened to Carolyn was being born into a loving family that takes care of her and loves her. Personal goals are to have 3 of her siblings living closer, build a school for underprivileged children, to be on the honor roll, to not procrastinate, and get into Brigham Young University.
