"THE CAMELLIA CLUB"  
TEMPLE CITY CALIFORNIA  
Chartered August 8, 1939

**NOVEMBER 10, 2015 TUESDAY 12:00 P.M. VOL. 77 NO. 6**

## THIS TUESDAY

Peter Chow with Edward Jones Financial will talk about our favorite subject, retirement and making sure our money outlast us.

## LAST TUESDAY

Three-time Lt. Governor Ernie Arnold made his official visit to our club. He stressed increased membership and service. He praised us for doing all the right things as we "Love It, Share It, and Live It".

Cloverly Principal Mr. Stephen Martin Edo thanked us for our service and said that Cloverly will provide meals three times a year for Ronald McDonald Meals of Love. We will be providing turkeys again for needy families. Rich Wenzel has already received 15 and we are expecting another 30 from Senator Ed Hernandez and Congresswoman Judy Chu.

It was good having our President Steve back with us as he is still recovering from surgery. Guest in attendance were Lisa Montesanti, Cheryl Robuck, and Marie Leonard. At our Board Meeting a poll was taken to see if we wanted to meet at Zen Buffet. The result was a big thumbs down mainly because Tuesdays are their 30% off which results in overflow crowd's parking in San Gabriel and wanting to eat who knows what.

Thank you to the members who helped at the Halloween Carnival at Live Oak Park. The Board also voted not to have meetings on December 22 and 29.

We received a thank you letter from Friends of Foster Children for our \$400 donation for school supplies. Bob and Carole Rodenbucher need Sugar Plum Tree sitters for Friends of Foster Children. They could use you from December 2 to 16 at the mall. They would also welcome donations to buy Christmas gifts for these special kids.

## STUDENTS OF THE MONTH

We welcomed four outstanding students from Cloverly Elementary School and Oak Avenue Intermediate. Accompanying the happy students from were Cloverly Principal Stephen Martin Edo and teacher Mrs. Sally Stokes. From Oak Avenue was teacher Mr. Aaron Loomis.

**Jillian** is 11 years old and in Mrs. Stokes' class. She has an older sister and enjoys reading, dancing Folklorico, and listening to music. Jillian said, "The best things about Cloverly Elementary are the awesome teachers, fun school events such as Family Fun Night, and the library filled with wonderful books." The best thing that ever happened was going to Maui with her family and having a great time. If she could change one thing it would be to have everyone stop smoking. Personal goals are to build an Autopia-land where everyone has a car and the park would be super big, go to a good college, get straight A's in all subjects, and improve playing the guitar so she can be in the next recital.

**Jace** is 11 years old and in Ms. Tenney's class. He has two sisters and enjoys playing soccer, baseball, and video games. Jace said, "The best things about Cloverly Elementary are my Math classes, fun assemblies, and my teachers." The best thing that ever happened was being a ring bearer at a wedding when he was five years old. If he could change one thing it would be to have everyone have a safe home. Personal goals are to build a teleporter to decrease the amount of pollution cars produce, get better grades, and have more friends and happiness.

**Dustin** is 12 years old and has an older brother. He has enjoyed playing the piano for the last five years. Dustin said, "The best things about Oak Avenue are making new friends, meeting new people, and the privilege to have a great education." The best thing that ever happened was finding out he had the best family in the world. If he could change one thing it would be to have quiet peace in the world. Personal goals are to build a machine that would send food to needy people, get into a good college, become a doctor, and live a happy life.

**Emily** is 11 years old and has a younger sister. She enjoys baking, reading, biking, and hiking. Emily said, "The best things about Oak Avenue are the teachers, clubs, and the students." The best thing that ever happened was getting her dog, Harmony. If she could change one thing in the world it would be to end all the terrible disasters. Personal goals are to build homes for people who can't afford them, get better at the guitar, strive to be a better baker, and spend more time with her family, especially her sister.
