NOVEMBER 11, 2008 TUESDAY 12:15 P.M. VOL. 70 NO. 6

THIS TUESDAY

We go to the Bahooka Restaurant. Roger Carlson will give us energy saving tips.
"Every Bit of Energy Counts."

LAST TUESDAY

Guest of the Club Rose Sheldon was a visitor again. Rose will also be our speaker on November 25th.

The old saying is still true. The best programs are our own members. Dr. Tony Euredjian made sure that most of our members had finished their lunch before the graphic slideshow of teeth in various forms of decay.

Tony is my dentist and I consider him to be an artist at his work. If you want quick dentistry, Tony is not your man. If you want the best outcome from a difficult situation you need a dentist like Tony whom I consider to be a perfectionist at his art.

Tony takes what God has given, neglect has taken away, and provides restoration.

Richard Wenzel paid reluctantly for being a Phillys fan. Steve Tyre paid for being born sometime ago. Mike Lepore led an interclub with the Key Club last Thursday. Those attending were Bill Hohl, Steve Montesanti, Mike Miller, Dan Snell, and Richard Wenzel.

Those of you that have ever said, "I wonder if it is worth giving out those bumper stickers for Students of the Month". Mike Lepore tracked someone down in Duarte and took this photo.

John Chandler is heading up the annual City Sock-o-Rama. Deadline is December 15 for new men's white socks, t-shirts and boxers and new socks for women and children. Also the same deadline for Santa's Claws & Paws Drive. Help benefit the San Gabriel Valley Humane Society with Cat and Dog Food, Cat Litter, Pet Toys.

Dan Snell is our 87 year old membership dynamo. Dan would like you to bring at least 2 names of prospective members to the next meeting and he will do the rest.

STUDENTS OF THE MONTH

We were pleased to have Cloverly teacher Mr. Ron Lee who brought 2 outstanding students.

Mary Zhang is 11 years old and enjoys drawing, hiking, and chatting with friends. Mary said, "Cloverly is safe,, the teachers are nice and funny, and the campus is clean". Goals are to build a train that travels underwater, become an artist, and attend Stanford University.

Katie French is 11 years old and enjoys math, reading, singing, dancing, and acting. Katie said, "The best things about Cloverly are the teachers and students are nice, and I enjoy recess". Personal goals are to build more shelters for the sick and homeless, attend UCLA, become an Olympic swimmer, and be famous from singing,

QUOTE OF THE WEEK

"Mankind have a great aversion to intellectual labor; but even supposing knowledge to be easily attainable, more people would be content to be ignorant than would take even a little trouble to acquire it." - Samuel Johnson

See you Tuesday, Jerry
